Honorable Juvenile Board Judges:

The placement funds for the remaining portion of this year should be adequate with no need to request additional monies. One of the juveniles completed placement early and unfortunately one youth failed placement. This currently leaves us with approximately \$43,960.00 dollars to work with until the end of the fiscal year should the need arise to place another youth.

Attached are the proposed changes to the Amended Order Designating Juvenile Processing Places. Greenville PD reached out in April wanting to add another room due to construction in their building. We reached out to the other agencies and the changes are reflected in the order.

New standards became effective on May 1, 2023. The proposed changes to the policy and procedure manual are attached. One additional change was made to 341.200, I removed the policy regarding the intern program as we no longer operate that program. For Chapter 344, there have been several changes to the chapter over the past year and a summary is attached for review.

Should the policy and procedure changes be approved, please use the attached to replace the old chapters in your manual. I have provided new copies of both Chapters 341 and 344 dated May 2023.

Respectfully,

Laura E. Sandlin, Chief
Hunt County Juvenile Probation Services
