Lakes Hunt County Supported Indigent Counseling and Treatment Services County Funds support approximately 30% of the cost of these treatment services. They are used to start services immediately while alternative funding is sought – (i.e. NorthSTAR). County funding supports ongoing services for those individuals not eligible for NorthSTAR funding. For the new year county funding will help support our new program for children and adolescents. Family and client fees are also set to augment low payment rates from NorthSTAR and other payors.			
Substance Abuse Counseling Program	4th. QTR # Clients Served	Hours of Service	Comment

WHEREAS, our society has become increasingly dependent on household chemicals to perform labor and time-saving miracles, and on medicine to provide health-giving, and life-sustaining benefits; and,

WHEREAS, these products, when not used as intended or directed, may be hazardous, particularly if children gain access to them; and,

WHEREAS, over the past 47 years, the nation has been observing Poison Prevention Week to call attention to these hazards, and to how proper handling and disposal of these substances, and proper use of safety of packaging can help eliminate them; and,

WHEREAS, the efforts of our community organizations, complimented by the efforts of the North Texas Poison Center, have reduced childhood poisonings in Hunt County; and,

WHEREAS, the North Texas Poison Center, a regional poison center, located at Parkland Health and Hospital System, provides the ultimate in human service programming, and immediate and accessible emergency information to save lives of victims of poison related emergencies; and,

WHEREAS, these programs must continue as long as even one child ingests a household product or medicine by mistake.

NOW, THEREFORE, BE IT PROCLAIMED BY THE COMMISSIONERS COURT OF THE COUNTY OF HUNT that the week of March 14-20, 2010, be hereby proclaimed as Poison Prevention Week in Hunt County, Texas, and we further direct the appropriate agencies in our local government to continue their cooperation with concerned citizens and community organizations, including our schools, to develop programs which will alert our citizens to the continued danger of misusing medications and household products, and to promote effective safeguards against accidental poisonings among young children.

ORDERED this 22nd day of February, 2010.
