Proposal rates are based on the following information:

- Rates based upon current benefits and enrollment. A substantial change in enrollment (10% over 30 days or 30% over 90 days) may result in a change in rates.
- Rates are based on a minimum employer contribution of 100% of the employee only rate or current funding level.
- Retirees pay the same premium as active employees regardless of age for medical and dental.
- Form must be received by 08/04/2014 in order to avoid a delay in implementation of benefits and/or late processing fees.
