(b) The ad valorem tax thus levied shall be assessed and collected each year against all property appearing on the tax rolls of the County most recently approved in accordance with law, and the money thus collected shall be deposited as collected to the Interest and Sinking Fund.

(c) Said ad valorem tax, the collections therefrom, and all amounts on deposit in or required hereby to be deposited to the Interest and Sinking Fund are hereby pledged and committed irrevocably to the payment of the principal of and interest on the Bonds when and as due and payable in accordance with their terms and this Order.

(d) To the extent the County has available funds which may be lawfully used to pay debt service on the Bonds and such funds are on deposit in the Interest and Sinking Fund in advance of the time the County Commissioners are required to set a tax rate for any year, then such tax rate which otherwise would be required to be established pursuant to subsection (a) of this Section may be reduced to the extent and by the amount of such funds then on deposit in the Interest and Sinking Fund.

(e) If the liens and provisions of this Order shall be discharged in a manner permitted by Article XI, then the collection of such ad valorem tax may be suspended or appropriately

reduced, as the facts may permit, and further deposits to the Interest and Sinking Fund may be suspended or appropriately reduced, as the facts may permit.

REGARDING THE BONDS

Section 3.01. Authorization. The County's bonds to be designated "Hunt County, Texas, Limited Tax Permanent Improvement Bonds, Series 2017," are hereby authorized to be issued and delivered in accordance with the Constitution and laws of the State of Texas, including Chapters 1251 and 1301, Texas Government Code, as amended. The Bonds shall be issued in the aggregate principal amount of \$5,795,000 for (i) constructing, improving and maintaining roads and bridges within the County, including the acquisition of land and rights-of-way therefor, including participating in the cost of joint projects with various state, city and regional council of government entities, and (ii) paying the costs of issuance associated with the sale of the Bonds.

Such interest

shall be payable semiannually commencing on March 1, 2018, and on each September 1 and March 1 thereafter until maturity or prior redemption. Interest on the Bonds shall be calculated on the basis of a 360-day year composed of twelve 30-day months.

Section 3.03. Medium, Method and Place of Payment.

(a) The principal of, premium, if any, and interest on the Bonds shall be paid in lawful money of the United States of America, as provided in this Section.

(b) Interest on the Bonds shall be payable to the Owners whose names appear in the Register at the close of business on the Record Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar if and when funds for the payment of such interest have been received from the County. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be at least 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

(c) Interest on the Bonds shall be paid by check (dated as of the Interest Payment Date) and sent by the Paying Agent/Registrar to the person entitled to such payment, United States mail, first class postage prepaid, to the address of such person as it appears in the Register or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expenses of such other customary banking arrangements. At the option of an Owner of at least \$1,000,000 principal amount of the Bonds, interest may be paid by wire transfer to the bank account of such Owner on file with the Paying Agent/Registrar.

(d) The principal of each Bond shall be paid to the person in whose name such Bond is registered on the due date thereof (whether at the maturity date or the date of prior redemption thereof) upon presentation and surrender of such Bond at the Designated Payment/Transfer Office.

(e) If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

(f) Unclaimed Payments shall be segregated in a special escrow account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owners of the Bonds to which the Unclaimed Payments pertain. Subject to Title 6 of the Texas Property Code, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three years after the applicable payment or redemption date shall be applied to the next payment or payments on

the Bonds thereafter coming due and, to the extent any such money remains after the retirement of all outstanding Bonds, shall be paid to the County to be used for any lawful purpose. Thereafter, neither the County, the Paying Agent/Registrar, nor any other person shall be liable or responsible to any Owners of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to Title 6 of the Texas Property Code.

Section 3.04. Execution and Initial Registration.

(a) The Bonds shall be executed on behalf of the County by the County Judge and County Clerk of the County, by their manual or facsimile signatures, and the official seal of the County shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the County had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the County whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Order unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided in this Order, duly authenticated by manual execution of the Paying Agent/Registrar. It shall not be required that the same authorized representative of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered on the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided in this Order, manually executed by the Comptroller of Public Accounts of the State of Texas or by his duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the County, and has been registered by the Comptroller.

(d) On the Closing Date, one Initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the Representative or its designee, executed and registered as provided above, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to the Representative or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to DTC on behalf of the Underwriter registered definitive Bonds as described in Section 3.10(a). To the extent the Paying Agent/Registrar is eligible to participate in DTC's FAST System, as evidenced by agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

Section 3.05. Ownership.

(a) The County, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof and premium, if any, thereon, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that interest is to be paid to the person in whose name the Bond is registered on the Record Date), and for all other purposes, whether or not such Bond is overdue, and neither the County nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the County and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the County shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Order.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 principal amount and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the County and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration or any subsequent transfer of Bonds, but the Paying Agent/Registrar will require the Owner to pay the reasonable cost incurred by the Paying Agent/Registrar in connection with the exchange of a Bond or Bonds for a different denomination where no simultaneous transfer of the Bond or Bonds to a new Owner also occurs. In addition, the Paying Agent/Registrar may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the County nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond so selected for redemption, in whole or in part, when such redemption is scheduled to occur within 45 days.

Section 3.07. Cancellation. All Bonds paid in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Order, shall be cancelled and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall then dispose of cancelled Bonds in accordance with the Securities Exchange Act of 1934.

Section 3.08. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the County may execute and, upon the County's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the County executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Order.

(c) The County, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar, at the Designated Payment/Transfer Office, of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The County or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected herewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide Purchaser, shall

authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

- (i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;
- (ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the County to save them harmless;
- (iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and
- (iv) satisfies any other reasonable requirements imposed by the County and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide Purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the County and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide Purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the County or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the County and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry Only System.

(a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the County and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Order. Without limiting the immediately preceding sentence,

the County and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, the County and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to payment of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the register, shall receive a certificate evidencing the obligation of the County to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks or drafts being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

(c) The Representations Letter previously executed and delivered by the County, and applicable to the County's obligations delivered in book-entry-only form to DTC as securities depository, is hereby ratified and approved for the Bonds.

Section 3.11. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the County or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the County or the Paying Agent/ Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

Section 3.12. Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

(c) The principal amount of the Term Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the County, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption dates shall have been acquired by the County at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation.

Section 4.04. Partial Redemption.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption.

(a) Before or on each redemption date, the County shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Interest and Sinking Fund or otherwise received by the Paying Agent/Registrar from the County and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed.

Section 4.07. Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.05 of this Order and subject, in the case of an optional redemption under Section 4.02, to any conditions or rights reserved by the County under Section 4.08, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the County defaults in its obligation to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the County shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same.

The County reserves the right, in the case of an optional redemption pursuant to Section 4.02 herein, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the County retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the County delivers a certificate of the County to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional

redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the County to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

Section 4.09. Lapse of Payment. Money set aside for the redemption of the Bonds and remaining unclaimed by Owners thereof shall be subject to the provisions of Section 3.03(f) hereof.

ARTICLE V

This Bond is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of \$5,795,000 (herein referred to as the "Bonds") pursuant to a certain order of the Commissioners Court of the County (the "Order") for the public purpose of providing funds (i) constructing, improving and maintaining roads and bridges within the County, including the acquisition of land and rights-of-way therefor; including participating in the cost of joint projects with various state, city and regional council of government entities, and (ii) paying the costs of issuance associated with the sale of the Bonds.

The Bonds and the interest thereon are payable from the levy of a direct and continuing ad valorem tax, within the limit prescribed by law, against all taxable property in the County as described and provided in the Order.

The County has reserved the option to redeem the Bonds maturing on or after March 1, 2028, in whole or in part, before their respective scheduled maturity dates, on March 1, 2027, or on any date thereafter, at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest to the date fixed for redemption. The Bonds maturing on March 1, 2037 (the "Term Bonds"), are subject to scheduled mandatory redemption and will be redeemed by the County, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund, on the dates and in the respective principal amounts as set forth below.

The Paying Agent/Registrar will select by lot the specific Term Bonds (or with respect to Term Bonds having a denomination in excess of \$5,000, each \$5,000 portion thereof) to be redeemed by mandatory redemption. The principal amount of Term Bonds required to be redeemed on any redemption date pursuant to the foregoing mandatory sinking fund redemption provisions hereof shall be reduced, at the option of the County, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the County at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Notice of such redemption or redemptions shall be given by first class mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the registered owner of each of the Bonds to be redeemed in whole or in part. Notice having been so given, the Bonds or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice; and, from and after such date, notwithstanding that any of the Bonds or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

In the Order, the County reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the County retains the right to rescind such notice at

any time on or prior to the scheduled redemption date if the County delivers a certificate of the County to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding, and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the County to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the county in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any Bond or portion thereof has not been surrendered for payment, interest on such Bond or portion thereof shall cease to accrue.

As provided in the Order, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar, and, thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The County, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the County nor the Paying Agent/Registrar shall be affected by notice to the contrary.

Neither the County nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the County, including the Bonds, does not exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, the County has caused this Bond to be executed by the manual or facsimile signature of the County Judge, countersigned by the manual or facsimile signature of the County Clerk of the County, and the official seal of the County has been duly impressed or placed in facsimile on this Bond.

ARTICLE IX

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Bonds. While any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay the interest on and the principal of the Bonds, as applicable, as will accrue or mature on each applicable Interest Payment Date.

Section 9.02. Other Representations and Covenants.

(a) The County will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Order and in each Bond; the County will promptly pay or cause to be paid the principal of, interest on, and premium, if any, with respect to, each Bond on the dates and at the places and manner prescribed in such Bond; and the County will, at the times and in the manner prescribed by this Order, deposit or cause to be deposited the amounts of money specified by this Order.

(b) The County is duly authorized under the laws of the State of Texas to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the County in accordance with their terms.

Section 9.03. Federal Income Tax Exclusion.

(a) General. The County intends that the interest on the Bonds will be excludable from gross income for federal income tax purposes pursuant to sections 103 and 141 through 150, inclusive, of the Code. The County covenants and agrees not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, would (i) cause the interest on the Bonds to be includable in gross income, as defined in section 61 of the Code, for federal income tax purposes or (ii) result in the violation of or failure to satisfy any provision of section 103 and 141 through 150, inclusive, of the Code. In particular, the County covenants and agrees to comply with each requirement of this Section 9.03; provided, however, that the County shall not be required to comply with any particular requirement of this Section 9.03 if the County has received an opinion of nationally recognized bond counsel ("Counsel's Opinion") that

(i) such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or (ii) compliance with some other requirement will satisfy the applicable requirements of the Code, in which case compliance with such other requirement specified in such Counsel's Opinion will constitute compliance with the corresponding requirement specified in this Section 9.03.

(b) No Private Use or Payment and No Private Loan Financing. The County covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Bonds will not be "private activity bonds" within the meaning of section 141 of the Code. Moreover, the County will certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "private activity bonds" within the meaning of section 141 of the Code.

(c) No Federal Guaranty. The County covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(d) No Hedge Bonds. The County covenants and agrees that it has not and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be "hedge bonds" within the meaning of Section 149(g) of the Code.

(e) No Arbitrage. The County covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be "arbitrage bonds" within the meaning of section 148(a) of the Code. Moreover, the County will certify, through an authorized officer, employee or agent, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of section 148(a) of the Code.

(f) Arbitrage Rebate. If the County does not qualify for an exception to the requirements of Section 148(f) of the Code relating to the required rebate to the United States, the County will take all necessary steps to comply with the requirement that certain amounts earned by the County on the investment of the "gross proceeds" of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the County will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the County allocable to other bond issue of the County or moneys which do not represent gross proceeds of any bonds of the County, (ii) determine at such times as are required by the applicable Regulations, the amount earned from the investment of the gross proceeds of the

Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the County will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

(g) Information Reporting. The County covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code.

(h) Record Retention. The County will retain all pertinent and material records relating to the use and expenditure of the proceeds of the Bonds until three years after the last Bond is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the County to retrieve and reproduce such books and records in the event of an examination of the Bonds by the Internal Revenue Service.

(i) Registration. The Bonds will be issued in registered form.

(j) Deliberate Action. The County will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Bonds to fail to meet any requirement of section 141 of the Code after the issue date of the Bond unless an appropriate remedial action is permitted by section 1.141-12 of the Regulations and a Counsel's Opinion is obtained that such remedial action cures any failure to meet the requirements of section 141 of the Code.

(k) The County hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of section 265(b) of the Code. In connection therewith, the County represents (a) that the aggregate amount of tax-exempt obligations issued by the County during calendar year 2017, including the Bonds, that have been designated as "qualified tax-exempt obligations" under section 265(b)(3) of the Code does not exceed \$10,000,000, and (b) that the reasonably anticipated amount of tax-exempt obligations that will be issued by the County during calendar year 2017, including the Bonds, will not exceed \$10,000,000. For purposes of this Section 9.03(k), the term "tax-exempt obligation" does not include "private activity bonds" within the meaning of section 141 of the Code, other than "qualified 501(c)(3) bonds" within the meaning of section 145 of the Code, or any obligations issued to currently refund any obligation to the extent the amount of the refunding obligation did not exceed the outstanding amount of the refunded obligation. In addition, for purposes of this Section 9.03(k), the County includes all entities that are aggregated within the County under section 265(b) of the Code.

(l) Continuing Obligation. Notwithstanding any other provision of this Order, the County's obligations under the covenants and provisions of this Section 9.03 shall survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion from gross income of interest on the Bonds for federal income tax purposes.

ARTICLE X

- (ii) default in the performance or observance of any other covenant, agreement or obligation of the County, the failure to perform which materially, adversely affects the rights of the Owners, including but not limited to, their prospect or ability to be repaid in accordance with this Order, and the continuation thereof for a period of 60 days after notice of such default is given by any Owner to the County.

Section 10.02. Remedies for Default.

(a) Upon the happening of any Event of Default, then and in every case any Owner or an authorized representative thereof, including but not limited to, a trustee or trustees therefor, may proceed against the County for the purpose of protecting and enforcing the rights of the Owners under this Order, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 10.03. Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Order, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Order.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

Section 3.02. Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Bonds at the dates specified in the Order.

ARTICLE IV

REGISTRAR

Section 4.01. Transfer and Exchange. (a) The Issuer shall keep the Register at the Designated Payment/Transfer Office, and subject to such reasonable written regulations as the Issuer may prescribe; which regulations shall be furnished the Bank herewith or subsequent hereto by Issuer Order, the Issuer shall provide for the registration and transfer of the Bonds. The Bank is hereby appointed "Registrar" for the purpose of registering and transferring the Bonds as herein provided. The Bank agrees to maintain the Register while it is Registrar.

(b) The Bank as Registrar hereby agrees that at any time while any Bond is outstanding, the Owner may deliver such Bond to the Registrar for transfer or exchange, accompanied by instructions from the Owner, or the duly authorized designee of the Owner, designating the persons, the maturities, and the principal amounts to and in which such Bond is to be transferred and the addresses of such persons; the Registrar shall thereupon, within not more than three (3) business days, register and deliver such Bond or Bonds as provided in such instructions. The provisions of the Order shall control the procedures for transfer or exchange set forth herein to the extent such procedures are in conflict with the provisions of the Order.

(c) Every Bond surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed in a manner satisfactory to the Bank, duly executed by the Owner thereof or his attorney duly authorized in writing.

(d) The Bank may request any supporting documentation it feels necessary to effect a reregistration.

Section 4.02. The Bonds. The Issuer shall provide an adequate inventory of unregistered Bonds to facilitate transfers. The Bank covenants that it will maintain the unregistered Bonds in safekeeping and will use reasonable care in maintaining such unregistered Bonds in safekeeping, which shall be not less than the care it maintains for debt securities of other governments or corporations for which it serves as registrar, or which it maintains for its own securities.

Section 4.03. Form of Register. (a) The Bank as Registrar will maintain the records of the Register in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Register in any form other than a form which the Bank has currently available and currently utilizes at the time.

(b) The Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04. List of Owners. (a) The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the cost, if any, of reproduction, a copy of the information contained in the Register. The Issuer may also inspect the information in the Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

(b) The Bank will not release or disclose the content of the Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a subpoena or court order or as otherwise required by law. Upon receipt of a subpoena or court order the Bank will notify the Issuer so that the Issuer may contest the subpoena or court order.

Section 4.05. Cancellation of Bonds. All Bonds surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Bank, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Bank and, if not already canceled, shall be promptly canceled by the Bank. The Issuer may at any time deliver to the Bank for cancellation any Bonds previously certified or registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Bank. All canceled Bonds held by the Bank shall be disposed of pursuant to the Securities Exchange Act of 1934.

Section 4.06. Mutilated, Destroyed, Lost, or Stolen Bonds. (a) Subject to the provisions of this Section 4.06, the Issuer hereby instructs the Bank to deliver fully registered Bonds in exchange for or in lieu of mutilated, destroyed, lost or stolen Bonds as long as the same does not result in an overissuance.

(b) If (i) any mutilated Bond is surrendered to the Bank, or the Issuer and the Bank receive evidence to their satisfaction of the destruction, loss, or theft of any Bond, and (ii) there is delivered to the Issuer and the Bank such security or indemnity as may be required by the Bank to save and hold each of them harmless, then, in the absence of notice to the Issuer or the Bank that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and upon its request the Bank shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same stated maturity and of like tenor and principal amount bearing a number not contemporaneously outstanding.

(c) Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of the Order equally and ratably with all other outstanding Bonds.

(d) Upon the satisfaction of the Bank and the Issuer that a Bond has been mutilated, destroyed, lost or stolen, and upon receipt by the Bank and the Issuer of such indemnity or security as they may require, the Bank shall cancel the Bond number on the Bond registered with a notation in the Register that said Bond has been mutilated, destroyed, lost or stolen; and a new Bond shall be issued of the same series and of like tenor and principal amount bearing a number, according to the Register not contemporaneously outstanding.

(e) The Bank may charge the Owner the Bank's fees and expenses in connection with issuing a new Bond in lieu of or exchange for a mutilated, destroyed, lost or stolen Bond.

(f) The Issuer hereby accepts the Bank's current blanket bond for lost, stolen, or destroyed Bonds and any future substitute blanket bond for lost, stolen, or destroyed Bonds that

the Bank may arrange, and agrees that the coverage under any such blanket bond is acceptable to it and meets the Issuer's requirements as to security or indemnity. The Bank need not notify the Issuer of any changes in the security or other company giving such bond or the terms of any such bond, provided that the amount of such bond is not reduced below the amount of the bond on the date of execution of this Agreement. The blanket bond then utilized by the Bank for lost, stolen or destroyed Bonds by the Bank is available for inspection by the Issuer on request.

Section 4.07. Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Bonds it has paid pursuant to Section 3.01, Bonds it has delivered upon the transfer or exchange of any Bonds pursuant to Section 4.01, and Bonds it has delivered in exchange for or in lieu of mutilated, destroyed, lost or stolen Bonds pursuant to Section 4.06 of this Agreement.

(b) The Bank shall in no event be liable to the Issuer, any Owner or Owners or any other Person for any amount due on any Bond except as otherwise expressly provided herein with respect to the liability of the Bank for its duties under this Agreement.

Section 5.04. May Hold Bonds. The Bank, in its individual or any other capacity, may become the owner or pledgee of Bonds and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/ Registrar, or any other agent.

Section 5.05. Money Held by Bank. (a) Money held by the Bank hereunder need not be segregated from any other funds provided appropriate accounts are maintained.

(b) The Bank shall be under no liability for interest on any money received by it hereunder.

(c) Subject to the provisions of Title 6, Texas Property Code, any money deposited with the Bank for the payment of the principal or redemption premium, if any, of or interest on any Bond and remaining unclaimed for three years after final maturity of the Bond will be paid by the Bank to the Issuer, and the Owner of such Bond shall thereafter look only to the Issuer for payment thereof, and all liability of the Bank with respect to such monies shall thereupon cease.

(d) The Bank will comply with the reporting requirements of Chapter 74 of the Texas Property Code.

(e) The Bank shall deposit any moneys received from the Issuer into a trust account to be held in a paying agent capacity for the payment of the Bonds, with such moneys in the account that exceed the deposit insurance available to the Issuer provided by the Federal Deposit Insurance Corporation to be fully collateralized with securities or obligations that are eligible under the laws of the State of Texas and to the extent practicable under the laws of the United
