JENNIFER LINDENZWEIG
County Clerk, Hunt County, TX
By *Jennifer Lindenzweig*

Whereas: Carevide, formerly Community Health Service Agency, Inc., a Health Center in Northeast Texas, serves communities in five counties by providing high quality, cost effective, and accessible primary and preventative care to all individuals regardless of insurance status or ability to pay.

Whereas: As locally owned and operated, Health Centers serve as critical economic engines helping to power local economies by generating billions of dollars in combined economic impact and creating jobs in some of the country's most economically deprived communities.

Whereas: Health Centers are located in medically underserved areas and locally controlled by patient-majority boards, making each Health Center responsive to the needs of the specific community it serves.

Whereas: Every day, Health Centers develop new approaches to integrating a wide range of services beyond primary care, including oral health, vision, behavioral health, and pharmacy services, to meet the needs and challenges of their communities.

Whereas: The Health Center model continues to prove an effective means of overcoming barriers to access including geography, income and insurance status, and in doing so, improves health care outcomes and reduces health care system costs.

Whereas: National Health Center Week offers the opportunity to recognize America's nearly 1,400 health center organizations with over 10,400 service delivery sites, their dedicated staff, board members, patients and all those responsible for their continued success and growth since the first health centers opened their doors more than 50 years ago.

Whereas: During National Health Center Week, we celebrate the legacy of America's Health Centers, and their vital role in shaping the past, present, and future of America's health care system.

NOW, THEREFORE, the Commissioner's Court of Hunt County, Texas, does hereby proclaim August 12-18, 2018, as National Health Center Week. I encourage all Americans to take part in this week by visiting their local Health Center and celebrating the important partnership between America's Health Centers and the communities they serve.

Signed this 24th day of July, 2018.
