Subject: Road crossing permits in Hunt County
Attachments: Road Crossing 1 - CR 2216.png; Road Crossing 2 - CR 2184.png; Road Crossing 3- CR 3311.png; Greenville Drill 3 Locations.kmz; 8J18072.00-PMT-001 Rev1.pdf

Commissioners,

We are writing this letter as a request to permit the installation of multiple replacement sections of 6" steel pipeline to be bored underneath 3 Hunt County roads. These sections are to replace existing sections of pipe and will be tied back into the existing pipeline. This pipeline flows crude oil and based on internal pipeline inspections, it was determined that these road crossings need to be replaced. This project is being completed on behalf of our customer Delek Logistics Partner, LP, 12700 Park Central Drive, Suite 1500, Dallas TX, 75251.

I am attaching the following documents:

- 3 - Individual screen shot images of each of the road crossings on Google Earth
- A KMZ file that pinpoints the locations on Google Earth (interactive)
- An EXAMPLE of the plans that we will submit for each of the crossings to the county for your records

The following county roads are needing permits for boring:

Item	Segment	Location	Lat	Long	Description	Approx. Pipe_FT	Approx. Bore Length_FT
1	Bore 1	CR 2216	33.041784	-96.165013	Possible Set In Rig	120	80
2	Bore 2	CR 2184	33.045049	-96.121411	Possible Set In Rig	80	60
3	Bore 3	CR 3311	33.048825	-96.076984	Possible Set In Rig	80	60

Please let me know if there is any more info that you need and how to next proceed. Thank you for you help on this project and Merry Christmas!

Thanks,

Kyle Davis
Pipeline Engineer
