Hey Delores,

I am so sorry that I am late with getting to you on this. Our Project Manager was working on TOP for you and we found out that you do not have Forms Overlay. In order for TOP to run correctly, you will need to have Forms Overlay. I'm sorry to inform you like this, I know that it was hard enough to get approval for TOP and now you will have to spend more money to get it to do what you want. Again, I hate to tell you that you have to spend more money in order for this to work and I apologize for the inconvenience.

Let me know if there is anything I can do to help smooth this out,
