**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**5. Conflict of Interest Questionnaire:**

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale of or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflicts of interest disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) must be submitted not later than the seventh (7<sup>th</sup>) business day after the date the vendor begins discussion, negotiation, applies or response to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

**6. Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law.

**Filing Process:**

On January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30<sup>th</sup> day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application is on the following website.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**7. Changes to Form 1295**

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete the unsworn declaration.

**What type of contracts are exempt from the Form 1295 filing requirement under the amended law?**

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education;
- an interagency contract of a state agency or an institution of higher education;
- a contract related to health and human services if; the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract;
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, \*
- a contract with an electric utility, as the term is defined by Section 31.002, Utilities Code\*or
- a contract with a gas utility, as the term is defined by Section 121.001, Utilities Code\*

The newly exempt contract types are marked with an asterisk.

**Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?**

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unsworn declaration, including the date of birth and address of the signatory replaced the notary requirement that applied to contracts entered into before January 1, 2018.

**Will my date of birth and address appear on TEC’s website when I file the form?**

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

Pursuant to Section 2270.001, Texas Government Code:

1. "Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes; and
2. "Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or any limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business associations that exist to make a profit, but does not include a sole proprietorship.

Pursuant to Section 2270.001, Texas Government Code:

(a) This section applies only to a contract that:

1. Is between a governmental entity and a company with 10 or more full-time employees; and

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

5. **Conflict of Interest Questionnaire:**

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale of or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflicts of interest disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) must be submitted not later than the seventh (7<sup>th</sup>) business day after the date the vendor begins discussion, negotiation, applies or response to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

6. **Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law.

**Filing Process:**

On January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application is on the following website.  
Please follow Instructional Video for Business Entities.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**7. Changes to Form 1295**

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete the unsworn declaration.

**What type of contracts are exempt from the Form 1295 filing requirement under the amended law?**

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education;
- an interagency contract of a state agency or an institution of higher education;
- a contract related to health and human services if; the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract;
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, \*
- a contract with an electric utility, as the term is defined by Section 31.002, Utilities Code\*or
- a contract with a gas utility, as the term is defined by Section 121.001, Utilities Code\*

The newly exempt contract types are marked with an asterisk.

**Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?**

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unworn declaration, including the date of birth and address of the signatory replaced the notary requirement that applied to contracts entered into before January 1, 2018.

**Will my date of birth and address appear on TEC’s website when I file the form?**

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes; and

The items furnished under this contract shall be new, unused of the latest product in production to commercial trade and shall be of the highest quality as to materials used and workmanship. Manufacturer furnishing these items shall be experienced in design and construction of such items and shall be an established supplier of the item bid.

Failure to include all necessary and proper supplemental materials may be cause to reject the entire Bid.

**TERM CONTRACTS**

If the contract is intended to cover a specific time period, the term will be given in the specifications under SCOPE.

**TERMINATION**

Hunt County reserves the right to terminate the contract for default if offeror breaches any of the terms therein, including warranties of offeror or if the offeror becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Hunt County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all services required to Hunt County's satisfaction and/or to meet all other obligations and requirements. Hunt County may terminate the contract without cause upon thirty (30) days written notice.

Title and Risk of Loss of goods shall not pass to Hunt County until Hunt County actually receives and takes possession of the goods at the point or points of delivery. Receiving times may vary with the using department. Generally, deliveries may be made between 8:30 a.m. and 4:00 p.m., Monday through Friday. Offerors are advised to consult the using department for instructions. The place of delivery shall be shown under the "Special Requirements/Instructions" section of this bid package and/or on the Purchase Order as a "Deliver To:" address.

**VENUE**

The parties agree that regarding any dispute or litigation that may arise in the execution and performance of this contract, that venue for all proceedings, judicial or otherwise, shall be proper in Hunt County.

**WAIVER OF SUBROGATION**

Offeror warrants that product sold to the County shall conform to the standards established by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970. In the event product does not conform to OSHA Standards, where applicable, Hunt County may return the product for correction or replacement at the offeror's expense. If offeror fails to make the appropriate correction within a reasonable time, Hunt County may correct at the offeror's expense.

**HUNT COUNTY**  
**GENERAL REQUIREMENTS**  
**FOR BIDS**

**VENDORS OWING TAXES**

Pursuant to TX Local Government Code §262.0276, Hunt County Commissioner's Court has adopted a policy which requires that vendors' taxes be current as of the date bids/proposals are due. Bidders with delinquent taxes on the due date will not be eligible for award. Whether or not a vendor's taxes are delinquent will be determined by an independent review of the Tax Office records. Vendors who believe a delinquency is reflected in error must contact the Hunt County Tax Office to correct any errors or discrepancies prior to submitting their bid in order to ensure that their bid will be considered. Tax records are available online at the Hunt County Tax Office website —[www.hctax.info](http://www.hctax.info). Prior to submitting a bid, vendors are encouraged to visit the Hunt County website, set up a portfolio of their accounts and make their own initial determination of the status of their tax accounts. Furthermore, if, during the performance of this contract, a vendor's taxes become delinquent, Hunt County reserves the right to provide notice to the Auditor or Treasurer pursuant to Texas Local Government Code §154.045. This policy is effective for all bids, proposals, quotations and contracts due on or after January 1, 2008.

**WCC RULE 110.110 WORKERS' COMPENSATION INSURANCE COVERAGE**

- F. The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.
- G. The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**5. Conflict of Interest Questionnaire:**

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale of or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflicts of interest disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) must be submitted not later than the seventh (7<sup>th</sup>) business day after the date the vendor begins discussion, negotiation, applies or response to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

**6. Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law.

**Filing Process:**

On January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application is on the following website.  
Please follow Instructional Video for Business Entities.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**7. Changes to Form 1295**

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete the unsworn declaration.

**What type of contracts are exempt from the Form 1295 filing requirement under the amended law?**

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education;
- an interagency contract of a state agency or an institution of higher education;
- a contract related to health and human services if; the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract;
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, \*
- a contract with an electric utility, as the term is defined by Section 31.002, Utilities Code\*or
- a contract with a gas utility, as the term is defined by Section 121.001, Utilities Code\*

The newly exempt contract types are marked with an asterisk.

**Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?**

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unsworn declaration, including the date of birth and address of the signatory replaced the notary requirement that applied to contracts entered into before January 1, 2018.

**Will my date of birth and address appear on TEC’s website when I file the form?**

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

**GENERAL REQUIREMENTS**  
**FOR BIDS**

**VENDORS OWING TAXES**

Pursuant to TX Local Government Code §262.0276, Hunt County Commissioner's Court has adopted a policy which requires that vendors' taxes be current as of the date bids/proposals are due. Bidders with delinquent taxes on the due date will not be eligible for award. Whether or not a vendor's taxes are delinquent will be determined by an independent review of the Tax Office records. Vendors who believe a delinquency is reflected in error must contact the Hunt County Tax Office to correct any errors or discrepancies prior to submitting their bid in order to ensure that their bid will be considered. Tax records are available online at the Hunt County Tax Office website —[www.hctax.info](http://www.hctax.info). Prior to submitting a bid, vendors are encouraged to visit the Hunt County website, set up a portfolio of their accounts and make their own initial determination of the status of their tax accounts. Furthermore, if, during the performance of this contract, a vendor's taxes become delinquent, Hunt County reserves the right to provide notice to the Auditor or Treasurer pursuant to Texas Local Government Code §154.045. This policy is effective for all bids, proposals, quotations and contracts due on or after January 1, 2008.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**5. Conflict of Interest Questionnaire:**

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale of or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflicts of interest disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) must be submitted not later than the seventh (7<sup>th</sup>) business day after the date the vendor begins discussion, negotiation, applies or response to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

**6. Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law.

**Filing Process:**

On January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application is on the following website.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**7. Changes to Form 1295**

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete the unsworn declaration.

**What type of contracts are exempt from the Form 1295 filing requirement under the amended law?**

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education;
- an interagency contract of a state agency or an institution of higher education;
- a contract related to health and human services if; the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract;
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, \*
- a contract with an electric utility, as the term is defined by Section 31.002, Utilities Code\*or
- a contract with a gas utility, as the term is defined by Section 121.001, Utilities Code\*

The newly exempt contract types are marked with an asterisk.

**Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?**

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unworn declaration, including the date of birth and address of the signatory replaced the notary requirement that applied to contracts entered into before January 1, 2018.

**Will my date of birth and address appear on TEC’s website when I file the form?**

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**8. Organization Name Israel Boycott Verification:**

Pursuant to Section 2270.001, Texas Government Code:

1. "Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes; and
2. "Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or any limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business associations that exist to make a profit, but does not include a sole proprietorship.

Pursuant to Section 2270.001, Texas Government Code:

(a) This section applies only to a contract that:

1. Is between a governmental entity and a company with 10 or more full-time employees; and
2. Has a value of \$100,000.00 or more that is to be paid wholly or partly from public funds of the governmental entity.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**5. Conflict of Interest Questionnaire:**

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale of or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflicts of interest disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) must be submitted not later than the seventh (7<sup>th</sup>) business day after the date the vendor begins discussion, negotiation, applies or response to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

**6. Certificate of Interested Parties (Form 1295):**

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law.

**Filing Process:**

On January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application is on the following website.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

**7. Changes to Form 1295**

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete the unsworn declaration.

**What type of contracts are exempt from the Form 1295 filing requirement under the amended law?**

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education;
- an interagency contract of a state agency or an institution of higher education;
- a contract related to health and human services if; the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract;
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, \*
- a contract with an electric utility, as the term is defined by Section 31.002, Utilities Code\*or
- a contract with a gas utility, as the term is defined by Section 121.001, Utilities Code\*

The newly exempt contract types are marked with an asterisk.

**Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?**

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unworn declaration, including the date of birth and address of the signatory replaced the notary requirement that applied to contracts entered into before January 1, 2018.

**Will my date of birth and address appear on TEC’s website when I file the form?**

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

**SPECIAL REQUIREMENTS/INSTRUCTIONS**  
**FORMAL BID # 189-19, ROAD ROCK CONTRACT TWELVE (12) MONTHS**

Pursuant to Section 2270.001, Texas Government Code:

1. "Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes; and

1. Is between a governmental entity and a company with 10 or more full-time employees; and

**GENERAL REQUIREMENTS**  
**FOR BIDS**

**VENDORS OWING TAXES**

Pursuant to TX Local Government Code §262.0276, Hunt County Commissioner's Court has adopted a policy which requires that vendors' taxes be current as of the date bids/proposals are due. Bidders with delinquent taxes on the due date will not be eligible for award. Whether or not a vendor's taxes are delinquent will be determined by an independent review of the Tax Office records. Vendors who believe a delinquency is reflected in error must contact the Hunt County Tax Office to correct any errors or discrepancies prior to submitting their bid in order to ensure that their bid will be considered. Tax records are available online at the Hunt County Tax Office website —[www.hctax.info](http://www.hctax.info). Prior to submitting a bid, vendors are encouraged to visit the Hunt County website, set up a portfolio of their accounts and make their own initial determination of the status of their tax accounts. Furthermore, if, during the performance of this contract, a vendor's taxes become delinquent, Hunt County reserves the right to provide notice to the Auditor or Treasurer pursuant to Texas Local Government Code §154.045. This policy is effective for all bids, proposals, quotations and contracts due on or after January 1, 2008.
