Meet Jasmine, one of our members. Jasmine started coming to the club at the beginning of the year. She opened up one day about the struggles of being in high school and the problems she was having with bullies in her school. Sometimes it was so hurtful, it was hard to come to school.

Jasmine said that after attending the Club, she feels safe and accepted for who she is. Jasmine is currently on track to graduate on time, with a plan for the future, and plans to continue attending the Club until graduation.

Every child, including Jasmine, deserves a great future. For more than 30 years, our Club has been providing a safe place & support for youth to graduate on time with a viable plan. this for thousands of young people.

With your continued support, this is not a possibility, but a certainty.
