TO THE HONORABLE JUDGE BOBBY STOVALL AND COMMISSIONERS

CRCG Report for January through June 2020 (2nd and 3rd Quarter)

As you know, we the last meeting we were able to hold due to the Corona Virus was in February, 2020. We did have 1 staffing for February and one set for March that has been delayed. With the 1 additional one for February, we have staffed a total of 7 children for this Fiscal Year. Because 4 of those were r by the Juvenile Probation Office, each had a potential of being detained at a cost of at least \$100 per day for a minimum of 10 days each. Because of the assistance in diversion and placement supported by the CRCG, none of those were detained at a potential savings of up to \$4000.

It is our current plan to resume meetings in July if the County Offices are opened up by that time. If necessary, we can meet by Zoom or other methods if we do have a request for staffings. Typically, the majority of our referrals are during the school year, but this is an unusual time so we will meet whatever needs are requested.

The law is still in place where any youth age 10 or 11 that has any altercation at school that is handled by the campus officers SHALL be referred to the CRCG, so we will still meet those needs as required.

Hopefully we will be back in July and continue to try to meet youth's needs locally or in placement that is no cost to the county.

I am available by phone at 903-366-4977 at any time anyone has questions.

Our CRCG appreciates the help and support of the County Judge and Commissioner's Court in this partnership to provide the youth's needs as well as assist in a cost savings to the County

Thank you,

Lana Adams, CRCG Coordinator
