To: The Hunt County Commissioners Court.
From: The City of Point Police Department.

To whom it concerns, I am writing you to formally ask for assistance from the Hunt County Sheriff's office. Our agency frequently works with the Special Crimes Unit, and we are aware of a 2009 Chevrolet Cobalt that has been seized as part of a narcotics case. I have spoken with Sgt Wilson, and have been advised that his department has no issue with releasing this vehicle to our agency to designate as a unmarked surveillance vehicle.

The City of Point frequently works with the HCSO, in relation to narcotics investigations in both Rains and Hunt County. Point has a very limited budget, making it virtually impossible to purchase these types of necessary vehicles.

The scope to as what the vehicle will be used for, will be for the surveillance of criminal activity in the City of Point, and Hunt County when assistance is requested.
Thank you for your time in this matter your help is greatly appreciated.
