RE: Pretrial Intervention Program

Dear Judge Stovall:

I am requesting that the following item be added to the agenda for the next Commissioners Court Agenda:

Two \$3,000 stipends for the Administrators of the Pretrial Intervention Program for the Hunt County Attorney's Office. Stipends shall be reimbursed by fees collected under Article 102.021 of the Code of Criminal Procedure.

It is my understanding that sufficient Pretrial Intervention Program fees have been collected and are currently deposited in the special fund with the County Treasurer to fully reimburse the county for the stipends.

If you have any questions, please feel free to call me.

Sincerely,

/s/G Calvin Grogan
G Calvin Grogan V
Hunt County Attorney

I'll send you the form to sign pending Judge Stovall's approval once I know for sure that all 3 of the people's names have been put on the agenda to go through court. That way the budget amendment and stipends can all be approved at the same time during the same commissioner's court.

Thank you,
Stacy

Great please send me whatever paperwork I need to sign on their behalf. And yes Paige is still waiting on commissioner approval for her annual stipend.

Yes that is correct you can add them and you have adequate funding available in your Pre-Trial Contingency. I will need to do a Budget Amendment from fund 77-621-1300-7600 Contingency to 10-621-1300-1134 Pre-Trial Intervention Stipend, providing Commissioners Court Approves the addition of the 2 people as well as adding Paige Ashley to the original Pre-Trial Intervention Stipend that was already budgeted for a different person that no longer works in the County Attorney's Office. Let me know if you have any questions.

Thank you,
Stacy

Good morning Stacy,

In reviewing the Pretrial Intervention Fund paperwork you provided me and the Revenue and Expense Report for it, I wanted to see if I can add 2 other employees to that program (Katie Jones and Janice Evans)? I would like each to receive a yearly stipend of \$1,000 under that program. I don't see any prohibition under TX CCP Art. 102.0121, only that I need commissioners approval and revenue for it....is that correct? Thanks!

V/r
Calvin

Good morning Calvin,
When you get a chance give me a call I would like to set up a time where you could come down to talk to Bruce and myself as well as Brenda so we could go over your pretrial fund and make sure you understand how it is budgeted and who is receiving it now.
No rush just when you get a chance.
Thanks for your time,
Stacy
