GREAT FUTURES START HERE. 2021 Q3 Update

FILED FOR RECORD

IMPACT: Although school as we know it has changed, Boys & Girls Clubs are here to do whatever it takes to ensure all kids have equal access to resources and opportunities to help them have a great future. Your support helps us provide much needed meals, school supplies, as well as virtual or in-person assistance from our well-trained mentors.

PREVENTION HIGHLIGHT

Every day at the Reecy Davis Club, we provide youth with a safe place to be during out of school time, we offer a snack and dinner, we model caring relationships, and we provide targeted, outcome driven programming. One of our key programs is SMART Moves, which focuses on prevention.

THANK YOU

As we move towards recovery from this trying time, we want to take a moment to say thank you to nt County for your continued support of our programs. We would not be able to make the impact that we are making without your support! 17,151 (2)

GREAT FUTURES START HERE. 2021 Q4 Update BOYS & GIRLS CLUBS for Hunt County

Although it has been another tough year for many Boys & Girls Club kids and families, there have been many positive moments thanks to friends like you

The holidays are about moments like this. Thank you for making great moments, and great futures, possible!

PREVENTION HIGHLIGHT

A safe space. A hot meal. A caring adult. These are the things that a child looks forward to when entering our Clubs. Mentoring is a key piece of our prevention program. Our caring youth development professionals build strong relationships with youth and help mentor them through tough times.
