Underground 138 kV utility line crossing CR 1061

Greetings,

Pink Solar, LLC is requesting permission to construct an 138 kV underground electrical transmission line. This request is for a road crossing on county road 1061, which is located in Greenville, Hunt County, Texas.

A site location map is attached below.

If you have any questions, please contact me at any time.

Sincerely,

Leander Stuckmann
Project Manager
