Upon receipt of such notice, Seller shall, unless the notice directs otherwise, immediately discontinue the work and placing of orders for materials, facilities and supplies in connection with the performance of this Agreement. Upon such termination, all Services performed and finished and unfinished Hardware and Documentation Deliverables produced or made by Seller for Buyer, up to and including the date of termination, shall become property of Buyer, and Seller shall be entitled to payment only as follows: (1) that portion of the Total Agreement Price accrued up to the point of termination for any such Services performed and finished and unfinished Hardware and Documentation Deliverables, plus (2) such other costs actually incurred by Seller as are permitted by the prime contract and approved by Buyer. There shall be deducted from such sums as provided in this subparagraph the amount of any payments made to Seller prior to the date of the termination of this Agreement. Except as set forth in this Section, Seller shall not be entitled to any claim or claim of lien against Buyer for any additional compensation or damages in the event of such termination and payment.

In the event of: (1) any failure by Buyer for thirty (30) or more days to make any payment when due, or (2) any other material breach of this Agreement by Buyer which shall continue for one hundred twenty (120) or more days after written notice of such breach (including a reasonably detailed statement of the nature of such breach) shall have been given to Buyer by Seller, Seller shall be entitled to avail itself cumulatively of any and all remedies available at law or in equity (provided such remedies are not otherwise limited under the terms of this Agreement) and either: (1) suspend performance of its obligations under this Agreement for as long as the breach remains uncorrected; or (2) terminate this Agreement by written notice to Buyer if the breach remains uncorrected.
