Hi Jessica,

Can you please add this to next Tuesday's agenda: "CA Request for Approval to Pay Expunction Filing Fees for Hunt County Veteran's successful completion of Veterans Pretrial Diversion Program." I have a veteran that successfully completed his 12mos pretrial diversion program, and pursuant to the agreement, the State will file an expunction petition on his behalf with the District Clerk. I have been told the expunction filing fees are \$350 + 7 certified mailings = \$410. Last year Auditor's Office created 2 line item accounts for Veterans Pretrial Program: 77-522-1300-201 (revenue) and 77-621-1300-3414 (expenses), and there is enough revenue to cover these filing fees. Thanks
