18,701

## BETTER THAN EVER.

OUR 3 PRONGED APPROACH TO PREVENTION PROGRAMS

1

Evidence Based, Outcome Driven SMART Moves Programming

2

Mentor Matches based on need and interest

3

Trauma Informed Care, Safety, Training, & Programming

## Q1 PREVENTION HIGHLIGHT

We recently completed an external safety assessment at all of our club sites where we didn't just meet standards—we exceeded them! Through ongoing trainings, our staff's passion for safety has created a nurturing environment where kids feel secure to open up to mentors and staff. Safety isn't just a foundation; it's the key that unlocks doors to mentorship, prevention programs, and a brighter future.
