# 2024 Q2 Update for Hunt County

## BETTER THAN EVER.

OUR 3 PRONGED APPROACH TO PREVENTION PROGRAMS

1

Evidence Based, Outcome Driven SMART Moves Programming

2

Mentor Matches based on need and interest

3

Trauma Informed Care, Safety, Training, & Programming

Boys & Girls Clubs of Northeast Texas is teaming up with NAMI North Texas to bring mental health workshops to teens. These workshops are part of our prevention programming and will help teens learn about mental health, build resilience, and find support. Together, we're dedicated to giving teens the tools they need to handle mental health challenges and succeed in their everyday lives.
