Q4 PREVENTION HIGHLIGHT

Jocelyn has an enthusiastic personality that shines brightly during club activities. She is always ready to lend a hand to the younger kids when they ask for help, and she goes above and beyond by picking up everything without anyone even having to ask. Her natural leadership qualities make her a role model for both the younger and older kids, and her positive energy lifts everyone around her. Jocelyn's light truly shines through in everything she does, making her an invaluable part of the team.
