## Hunt County Volunteer Month Proclamation

WHEREAS volunteering of one's time and resources is a fundamental part of our country's tradition and is essential to the American spirit, and;

WHEREAS it is increasingly more evident that our nation's greatest resource is its people, and;

WHEREAS volunteers have shown that they truly care and share generously of themselves, and;

WHEREAS volunteerism plays a crucial role in expanding influence and access for all Texans through civic engagement, and;

WHEREAS volunteers in Hunt County contribute to our shared vision of societal well-being, bridge service gaps, and address the needs of our community, and;

WHEREAS volunteers in Hunt County AgriLife Extension service programs have been an instrumental resource in reaching a broader audience, ensuring program relevance, and communicating the value of education and service to the residents of Hunt County, and;

WHEREAS volunteerism directly reflects the democratic principles upon which this nation was founded in that everyone, regardless of circumstance, position, or other factors can volunteer, and;

WHEREAS we are seeking even more contributions of human resources in volunteerism and better application of these valuable contributions:

THEREFORE, we wish to honor and to thank the dedicated AgriLife Extension Volunteers of Hunt County who give so freely of their valuable time, energy and abilities by proclaiming this week of April 20 - 26, 2025, to be officially designated as National Volunteer Week in Hunt County.

And in doing so, I call all citizens of Hunt County to help renew and sustain the spirit and vitality of this great nation by committing a portion of their time to address the needs of their communities through voluntary action.
