**Bringing New Spectrum Service to Merit Baptist Church  
Project Number: 5909490**

Greetings,

TCS Communications LLC, Contractor for Charter Spectrum is requesting permission to do work within the county right of way along the East end of Church St. We are looking to do a drop bore from the pole on 2194 to the poles on Church St for the Merit Baptist Church at 2576 Lake Ave for a total of 200'. A TxDot permit is being applied for section crossing 2194.

Site Location map and construction plans are enclosed. The construction plan details the proposed work.

If you have any questions, please contact me at any time.

Sincerely,

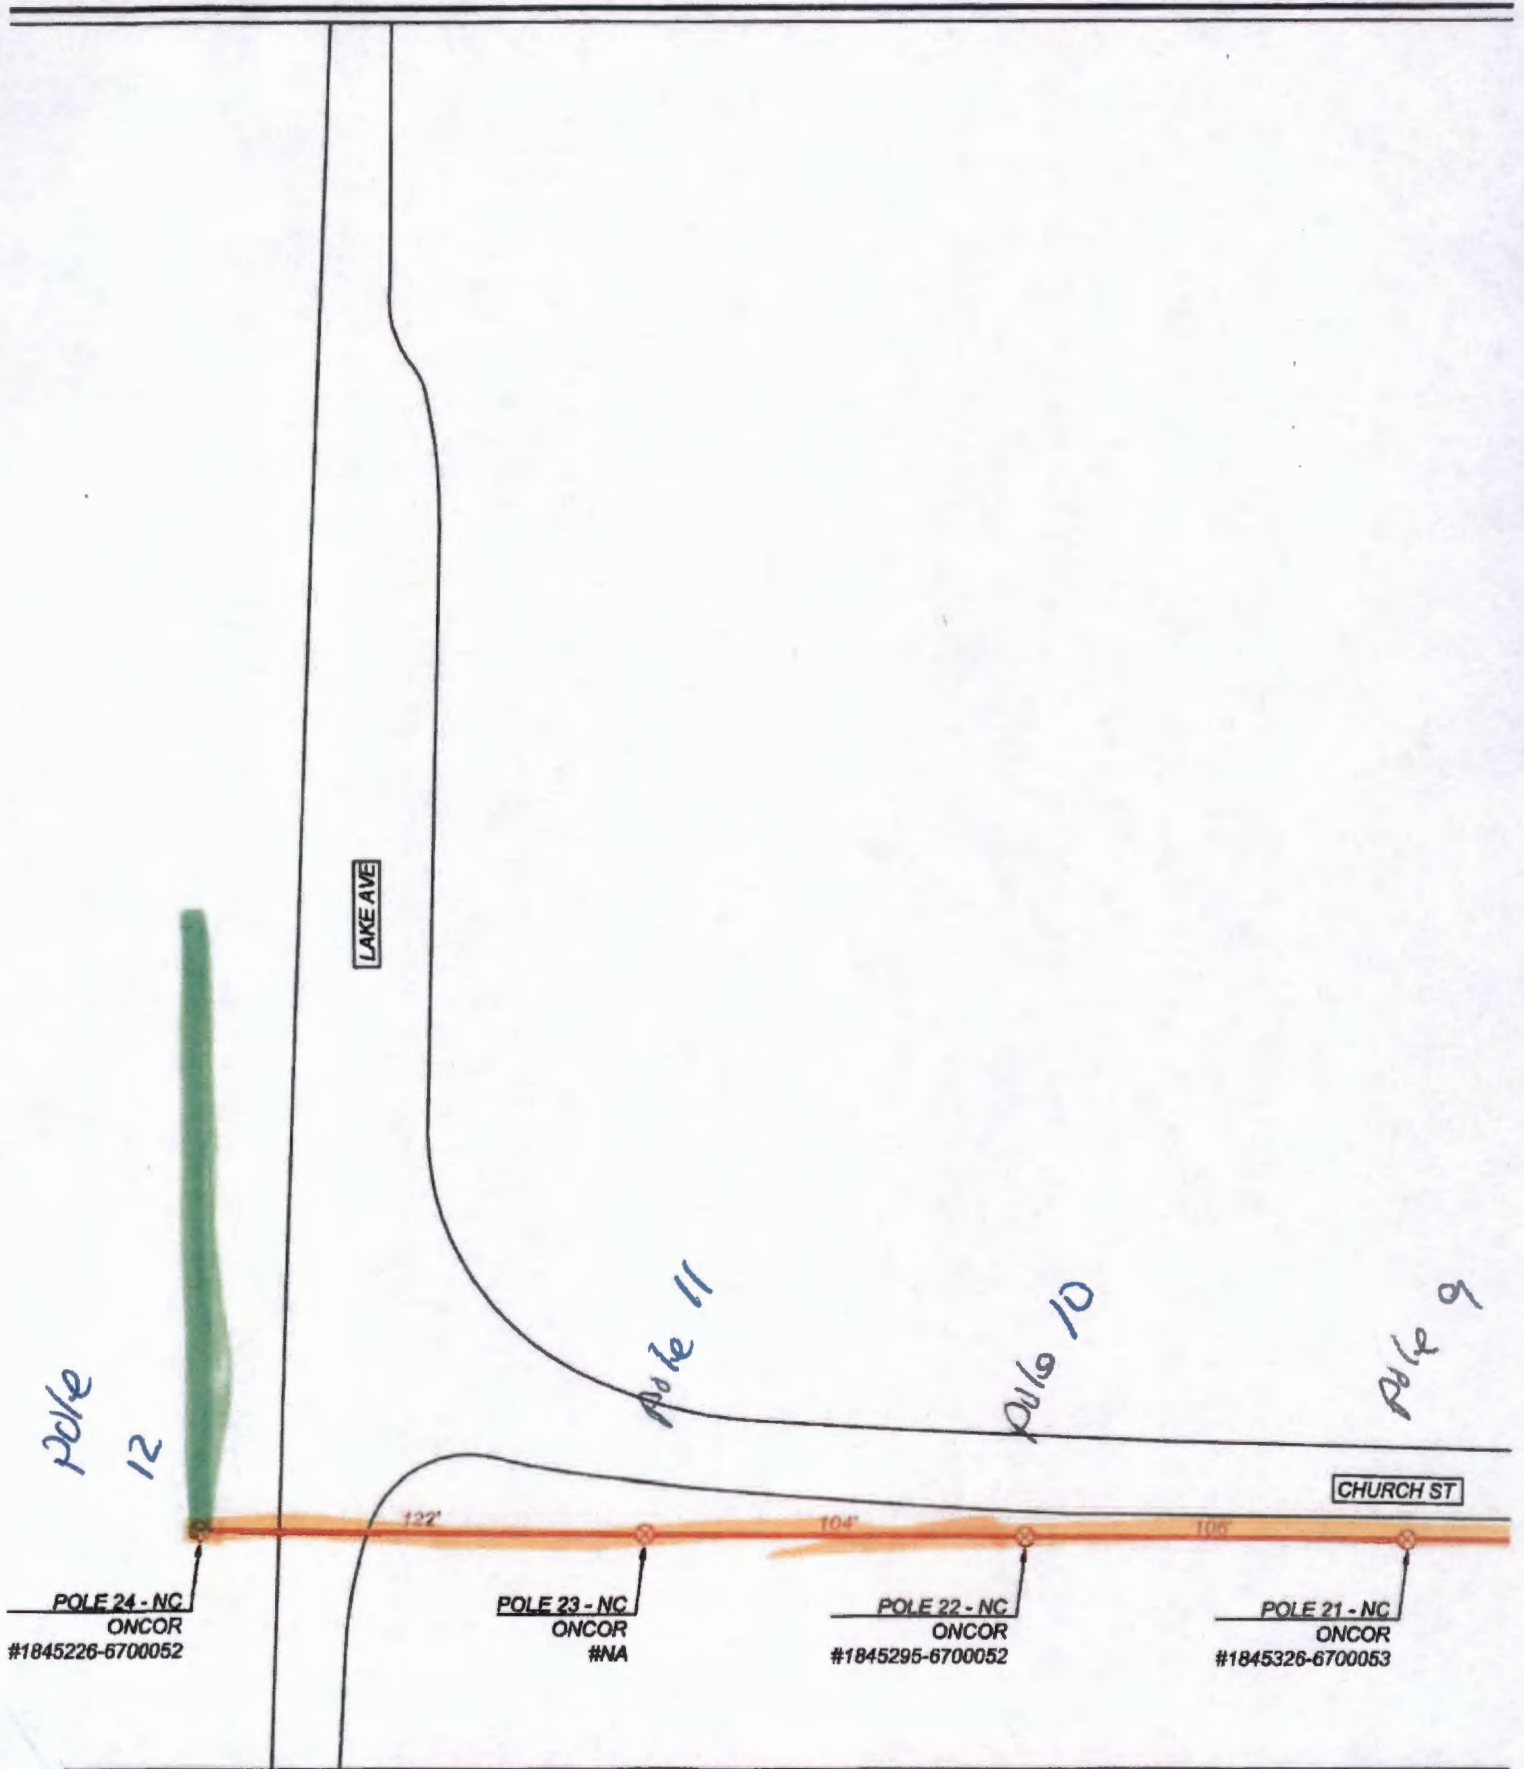

Frank Lovrant  
Project Manager
