[\(417\) SUN-RISE](tel:4175267526) | info@sunrisetelecom.biz

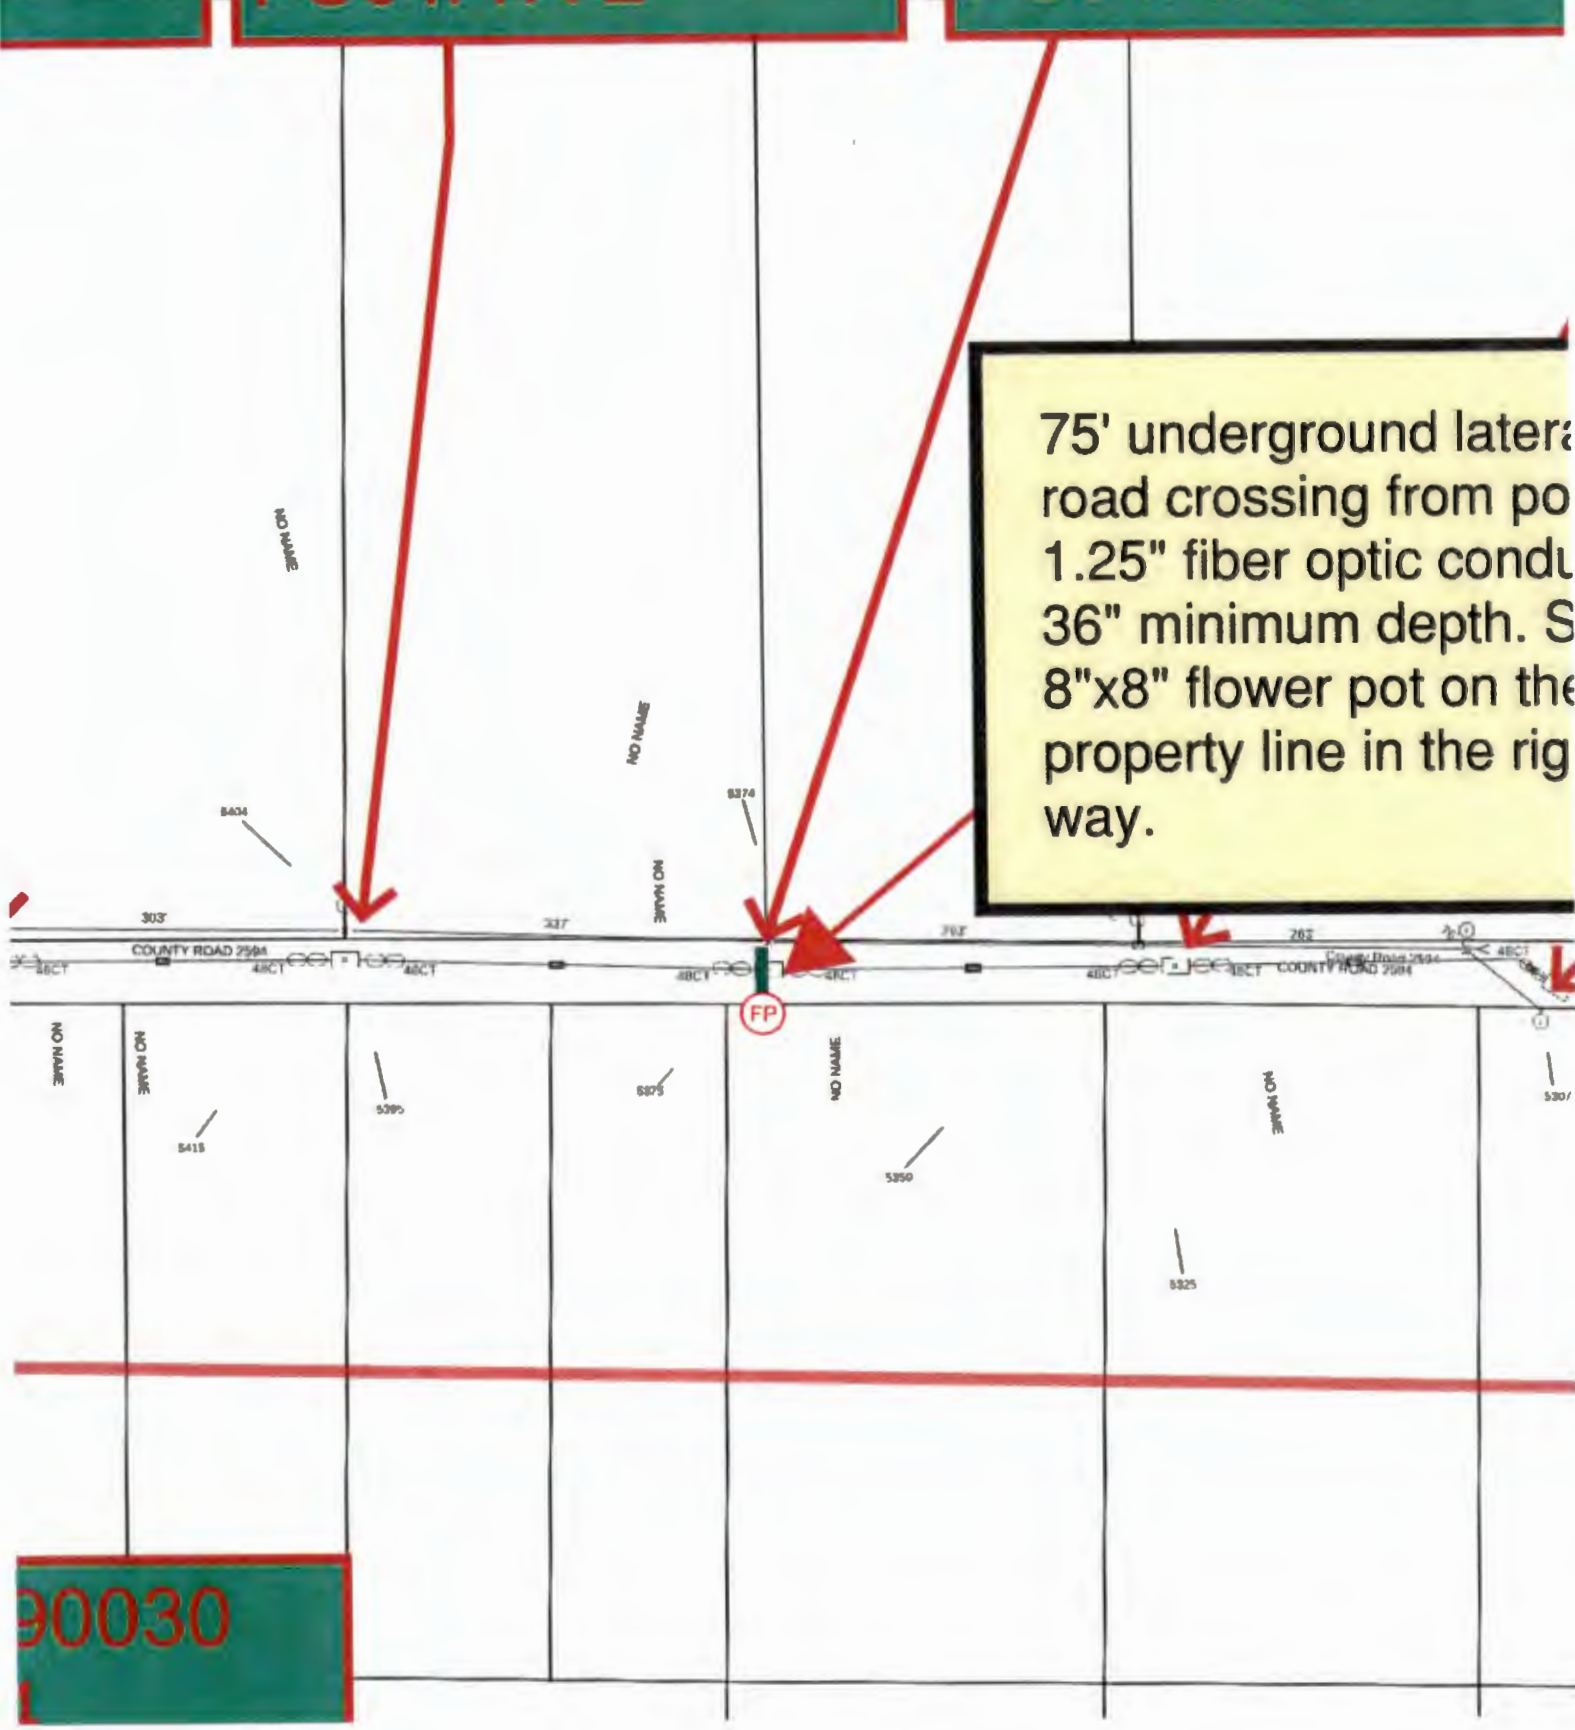

Good morning,

Sunrise Telecom is requesting permission to complete some work across County Road 2594 in Royse City, Texas. This is a 75' underground lateral across county road 2594 to connect existing fiber on the pole across the road to service the home. Scope of work drawings attached. All underground road crossings have a minimum vertical clearance of 3 feet. Please let me know if you have any questions.

Thank you,

Lindsay Asherman
