## Q2 PREVENTION HIGHLIGHT

Since launching SMART Moves, we've seen a powerful shift in how our youth treat and support one another. Older members have taken on natural leadership roles, guiding and encouraging younger members, while kindness and teamwork have become the norm. Through hands-on activities and open discussions, youth are learning to handle conflict, make healthy choices, and build stronger relationships. What started as a program has grown into a Club-wide culture of respect, responsibility, and connection.
