To: Chief Oxford, Sheriff Jones  
From: Virginia Phillips, Communications Director  
Date: 12/29/2025

I am requesting approval for myself and Ronnie Gold to attend the L3Harris User Group Conference taking place February 16-19 in Palm Beach, Florida.

The conference provides training and technical sessions specific to our P25 trunking system, which is continuously evolving. Attending would help ensure we stay current on system changes, troubleshooting practices, and operational updates that directly impact system reliability for first responders. This training is rarely available outside of limited, high-cost vendor classes, making the user group a valuable opportunity to gain current, practical knowledge.

The information gained would be applied directly to supporting our public safety communications system.

An estimated cost for this conference is around \$5,500-\$6,000.

\$300/pp Registration  
\$1,200/pp Rooms  
\$500/pp Flights  
\$500/wk Rental Car  
Per Diem

Thank you for your consideration.

Respectfully,  
Virginia Phillips
