Project Number: 29871473

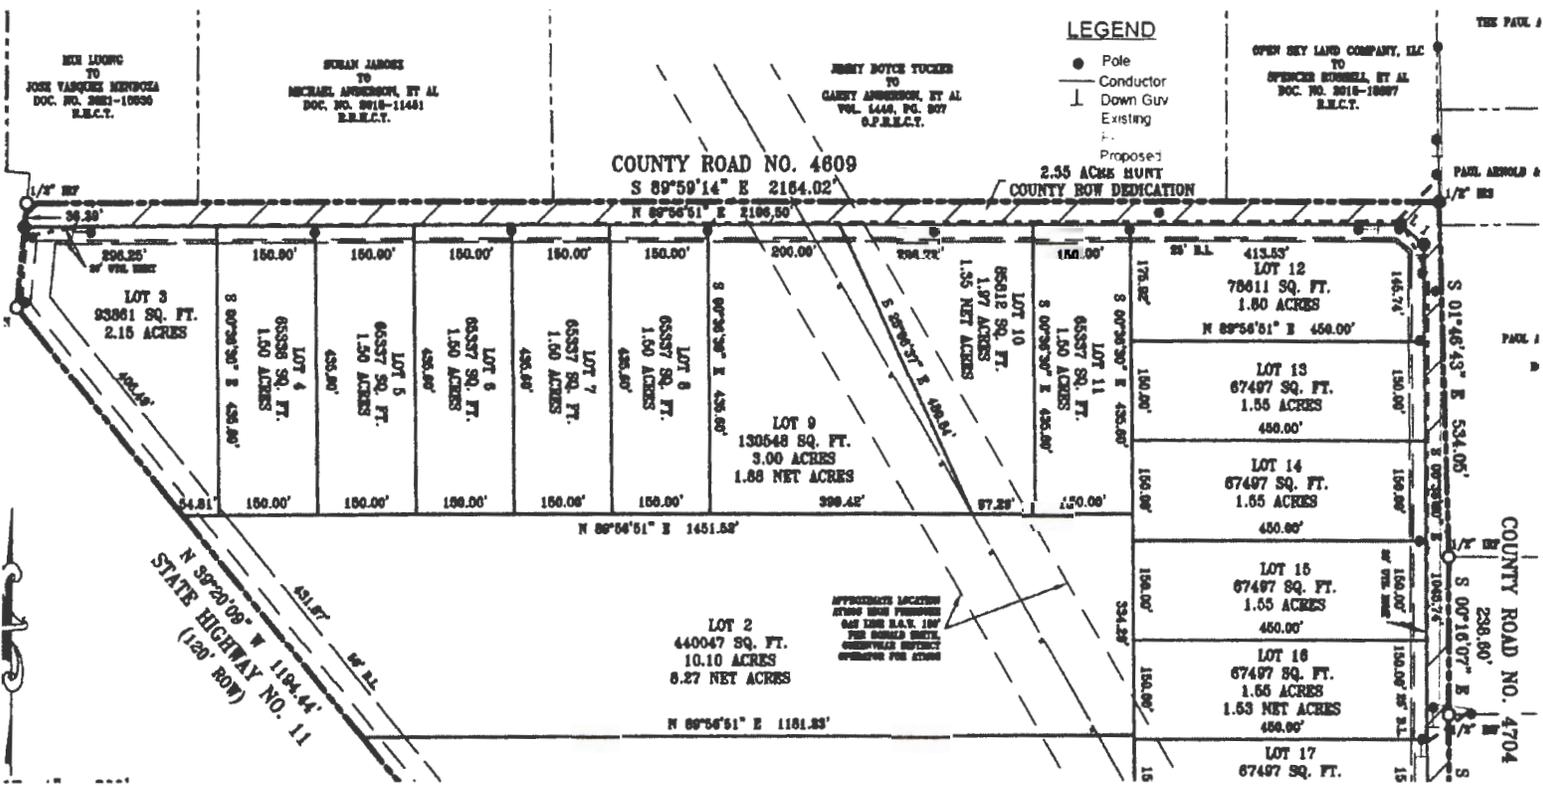

Greetings,

Oncor Electric Delivery LLC., is requesting permission to do work within the county right of way along CR 4609 & CR 4704. We are proposing to remove 4 poles, 780 feet of overhead conductor, and 1 down guy. Install a new line and poles inside the utility easement to accommodate the widening of portions of the road.

Site location map and permit exhibit are enclosed. The permit exhibit details the proposed work. If you have any questions, please contact at any time.
