Qty	Manufacturer Part Number	Description	Unit List Price	Discount Price	Total Price
-----	-----------------------------	-------------	--------------------	-------------------	-------------

### COST AND PRICING INVOLVING TARIFFS

To help streamline the purchasing process and avoid delays, we may have included a Tariff Contingency Allowance in this quote. If we have, this line item, clearly identified, reflects 25% of the Equipment Price and is intended to cover any potential manufacturer-driven price changes between the time of quote and receipt of your Purchase Order (PO).

We want you to be able to move forward with confidence, knowing the quote can be approved and a PO issued, while understanding that pricing on certain items may be subject to change. We always invoice at approved DIR or TIPS rates, and this allowance is only used to cover any verified increases in part pricing.

If you prefer a quote without the contingency allowance, we're happy to provide one. However, please be aware that if pricing changes after the original quote and before we receive the PO, we'll need to reissue the quote and wait for an updated PO. This can potentially lead to delays and repeated adjustments if pricing continues to shift.

### Length of Quote

This quote is valid for 30 days, provided the cost of goods has not changed due to a tariff adjustment. If there is no Tariff Contingency Allowance in place, any tariff change that negatively affects the price will invalidate the quote. If a Tariff Contingency Allowance is in place and a tariff change exceeds this allowance, the quote will also be invalid.

-----	-----------------------------	-------------	--------------------	-------------------	-------------

Visionality has prepared this proposal based on information provided by the customer and observations made during our site visit. Consequently, the proposal is limited to this information. There may be factors that were not disclosed or not seen by Visionality at the time of generating this quote. Visionality reserves the right to modify the proposal based on such factors.

Unless otherwise specified, all customer-furnished equipment (CFE) to be integrated within this proposal is assumed to be in good working order and loaded with the latest software release. If the proposal relies on existing wiring, pathways, or conduit, these are assumed to be functioning correctly and as per the diagram. Any issues encountered in integrating the CFE or using existing structures provided by the customer will be billed on a time and material basis.

## Responsibilities (Unless otherwise specified above)

### Visionality Obligations

Visionality will be responsible for the following:

- Testing new system and making sure all is properly operational from both the hardware and software perspective
- Visionality will provide drawings that call out power and network locations, which must be installed prior to installation.
- Note Drawings supplied are not-to-scale and often are estimates of actual room measurements.

### Company/Customer Obligations

The following items shall be provided by the Company and are not part of this scope or proposal:

- All 120V Electrical provisions must be present and hot at time of installation (Specifications and call-outs will be provided by Visionality after acceptance of the proposal).
- All conduit and raceway as required by local code.
- Conveyance (pathway) for AV cabling- includes any core drilling or structural modifications.
- "Hard Points" for mounting of equipment and structural supports will be provided and installed by the Company prior to Visionality deployment. The customer is responsible to ensure current structures can sustain the weight any mounted equipment or displays. When in doubt the Company should contact a certified Structural Engineer for safety factors.
  - For Displays other than video walls, Visionality will provide backing and blocking.
- Custom millwork, construction, or trim. Includes ceiling, floor and structural amendments or repairs.
- Required Local Permits and/or plan approvals.
- Required local inspection and compliance procedures.
- Hazardous material discovery and/or abatement.
- Ready Access to room. Unless otherwise stated, installation and commissioning are quoted as a single, contiguous period of days with unimpeded access 8 A.M – 5 P.M. daily. Monday through Friday at a minimum.
- Security and Safety
  - Prior to installation, if equipment is to be shipped in advance, the customer is responsible for receiving and storing this equipment in a safe location.
  - During installation, customer is responsible for making sure rooms can be secured and equipment is safe.
- Rooms are clean and ready for installation. All equipment, furniture, debris, or other objects need to be removed from the room for access or safety, prior to onset of installation.
- Sufficient on-site support, persons readily available to answer questions
- Prior to Visionality installation, Telephony, Computer and other Network connections are to be installed configured and tested.
  - Computer Network jacks are to be tested with information for connection readily available.

## ITEMS

Qty	Manufacturer Part Number	Description	Unit List Price	Discount Price	Total Price
-----	-----------------------------	-------------	--------------------	-------------------	-------------

- Firewalls and routers will be configured with proper ports opened .
- Switchports must be patched-in and correct VLAN, with network IP addresses, subnet mask, and gateway provided for specified equipment.
- Adequate bandwidth will be provided for the equipment chosen.
- IT staff will be available during the installation process if there is a connectivity issue
- Customer will assure that any customer furnished equipment is in working order.
- For maintenance purposes, customer will work with Visionality to create a mutually acceptable method that will allow remote access to installed equipment.

## Payments

To facilitate the early purchase of materials, prepayment is requested. If prepayment is not possible, payment is due immediately upon delivery of goods to the Visionality warehouse or the customer site.

Materials shipped to Visionality will be invoiced upon receipt. Visionality will provide serial numbers and proof of receipt for any received equipment. Materials drop shipped will be invoiced when tracking information shows when it has been received.

If the customer delays installation after goods have been received at the Visionality warehouse, the customer will pay for the goods and any shipping charges required to deliver the goods to the installation site, a mutually agreed upon secondary site, or the customer will pay for the goods and a storage fee at the rate of \$200 per pallet or equivalent per month, invoiced monthly

Payment for installation is due when the installation is substantially complete, meaning all work has been done and the equipment is operational. However, there may be some tasks remaining (e.g., bug list)

## Drop Ship

If materials are drop-shipped to the site, the customer must notify Visionality when the equipment is received at the customer site and is responsible for immediately verifying that the equipment is received undamaged and no damage from shipping has occurred. If there are any concerns about the integrity of the equipment, the shipment should be rejected and pictures must be taken to document the damage. Any damage, including hidden damaged, not noted of the Bill of Lading (BOL) and Communicated with Visionality prior to acceptance, will be the responsibility of the customer. For any issues or questions regarding a shipment, Visionality needs to be contacted immediately.

It is the customer's responsibility to keep any received equipment in a secure area. The customer is responsible for any theft or damage to the material in their storage. The customer must deliver all equipment to the intended location at the time of installation.

### Project Management Procedures

Each entity will appoint a designee as the prime project manager. These two individuals will ensure that the products are installed according to the project's specification. Any issues should be directed to these project managers. For instance, if there is a change in the room layout, it should be discussed between the project managers, and a change order should be written.

**Status Reviews.** Visionality takes project implementation seriously. Weekly status meetings with management are held during all phases of implementation to address issues early. Visionality Project Management is available to the customer for regular status meetings (via telephone or video) before installation begins. During the installation process, Visionality Project Management will be available daily to discuss the status and needs of the installation with the customer's designated representative..

**Change Orders.** All change orders must be submitted in writing from the customer designee to the Visionality project manager. If such a change is a material change of scope either in parts or labor, the project manager will provide an estimate of the change in price. Visionality will proceed with this change when the change order has been completed and approved by both parties.

**Integration, Commissioning, and Sign-Off.** Prior to Visionality programming, Visionality will meet with the customer's designated personnel to review the touchpanel and system operation. Additional feature requests beyond those scoped in this document and accepted during this meeting will require a change order. A required walk-through with the customer's designated personnel will occur the day before commissioning completion, to evaluate system performance, create bug lists, and establish a final sign-off punchlist. A final walk-through with customer's designated personnel will occur upon completion for final sign-off. The inability of key personnel attendance will not affect invoicing or signoff timelines, and additional walkthroughs will incur trip and/or change charges.

### Terms and Conditions

#### Disclaimers

Visionality - Designs That Compute (DTC) is a reseller of electronic equipment. Warranty and liability for use of any product sold is limited to what is stated by the manufacturer of these products. DTC creates no warranties express or implied beyond the manufacturer's warranty.

#### Limitations

The express obligation stated above is in lieu of all liabilities or obligations of DTC for damages, including but not limited to any liability due to or associated with infringement of a third party's intellectual property rights or any loss, damage, or injury, direct or consequential (including any loss of profits, use, business or the like, even if DTC has been advised of the possibility of same), arising out of or in connection with the delivery, use or performance of products resold by DTC, and it is agreed that repair or replacement, in accordance with the foregoing warranty, is DTC's sole liability and buyer's sole remedy for such liability, loss, damage, or injury. This limitation of DTC's liability will apply regardless of the form of action, whether in contract or tort (including negligence) or based on a warranty. Any action against DTC must be brought within 12 months after the cause of action arises. The parties expressly agree that the products are not consumer goods.

To the extent any limitation of liability contained herein is construed by a court of competent jurisdiction to be a limitation of liability in violation of state law, such limitation of liability shall be void, however the validity of the remaining parts, terms or provisions shall not be affected thereby, and said illegal or invalid part, term or provision shall be deemed not to be a part of this limitation of liability.

At times, the goods and services in this proposal may be purchased by a government entity under a specific purchasing contract and that contract may have a clause which conflicts with this clause. In that case the terms of the purchasing contract will take precedence.

#### Statement of Confidentiality

This proposal is the work product of DTC and as a result remains the property of DTC. This proposal has been submitted for the express interest of offering products and services. The particulars of this proposal must remain confidential between the receiving agency and DTC unless otherwise required by law. This proposal may not be offered to others without the express written consent of DTC. Where applicable, confidentiality is to be consistent with the Texas Public Information Act (TPIA) and the Freedom of Information Act. If there is a request for this document the customer will take all necessary steps to defend the confidentiality of the document, including an appeal to the Office of the Attorney General and also make a good faith attempt to inform DTC that their proprietary information is being requested from the governmental body.

#### Installation (if applicable)

Installation prices are estimated based on the customers stated requirements. Unless otherwise noted, the customer is responsible for standard installation preparation and assistance; this include but is not limited to: Site security before and during the installation; fee access to perform installation during business hours while scheduled on site; customer furnished installation or materials are ready prior to Visionality installation; and resources are available quickly to resolve issues. A full list of these requirements is in the proposal above. If these conditions are not met, additional charges may apply.

#### Product Returns

DTC does not accept product returns unless defective and only for replacement.

## ITEMS

Qty	Manufacturer Part Number	Description	Unit List Price	Discount Price	Total Price
-----	-----------------------------	-------------	--------------------	-------------------	-------------

### **Non-Solicitation.**

Customer agrees that for a period of twelve (12) months immediately following the Effective Date of this Agreement or Last Date of Service on this Agreement, whichever comes later, Customer shall not either directly or indirectly solicit, induce, recruit or encourage any of Design That Compute's employees to leave their employment, or take away such employees, or attempt to solicit, induce, recruit, encourage, take away or hire employees of the Designs That Compute, either for the customer or any other person or entity. Should the Customer infringe on this, it will be seen as a referral of the employee and the client agrees to pay Designs that Compute a one-time referral fee of two hundred (200) percent of the candidates total annual starting compensation with a minimum referral fee of fifty-thousand dollars (\$50,000). Should the employee be hired as an hourly their annual compensation will be calculated at two thousand (2,000) times their hourly rate. Referral Fees will be invoiced immediately upon hiring of an employee by the Customer and will be due net thirty (30).

### **Payment Terms**

Prepayment may be required. If terms are extended, payment is due immediately upon receipt of goods. Any objections to delivery or installation by the customer that may delay payment must be submitted to DTC in writing with 15 day of delivery of invoice to purchasing. When DTC resolves the problem they will resubmit invoice to purchasing. At that time customer must respond within 15 days if there is a further problem. DTC fully expects any invoice to be paid within 30 days of submittal. Failure to pay in a timely manner will constitute charges at the rate of 2% per month from date of invoice submittal.

Products delivered for an installation, are billed and due at the time of delivery. Installation will be billed and due when substantial completion has occurred. DTC will work with the customer to assure the highest quality products and services are delivered and installed. At the customer's request a payment schedule can be designed that withholds a percentage of the invoice based upon successful installation.

Some equipment has service or warranty that starts at the time of delivery. If installation is delayed this may affect the time coverage of those products is in effect after installation.

At times, the goods and services in this proposal may be purchased by a government entity or under a specific purchasing contract. In the cases where be a law or contract has conflicts with the above terms, the terms of a purchasing contract or law will take precedence.

### **Non-Taxable Entities**

Please include a copy of your Sales Tax Exemption Form along with any Purchase Order sent to Designs That Compute dba Visionality

IDEMIA is pleased to provide \* Hunt County Detention\* with the following price quote for the IDEMIA LiveScan System equipped with standard Harris County profiles for submission directly to the Harris County (HCSO) AFIS Database.

**IDEMIA's fully integrated LiveScan solution provides \* Hunt County Detention\* the following features and benefits:**

- ◆ Single-source vendor for all components of the LiveScan solution, including the AFIS interface
- ◆ Digital image capture of upper, lower and writer's palms, slaps and rolls
- ◆ Mug Photo Capture
- ◆ Full compliance with HCSO AFIS, FBI IAFIS/NGI EBTS and ANSI/NIST Image standards
- ◆ Automatic fingerprint sequencing and duplicate print checking before scanning is completed, ensuring data integrity
- ◆ Quick-check, review, and edit can be performed on each print
- ◆ All LiveScan Systems include on-site installation, training, and 1 year on-site warranty

### Options and Pricing

IDEMIA equipment options and pricing described in Table 7.

Table 7. Pricing / Maintenance

	Description	Unit Price	Annual Maintenance*
LS-PRNT-M-2	<b>Printer Black &amp; White Tenprint Card, Duplexer, +1 additional Tray</b>	<b>\$1,409</b>	<b>\$212</b>

\*Annual Maintenance to start after 1<sup>st</sup> Year Warranty

### Customer Responsibilities

\* Hunt County Detention \* is responsible for the following:

- ◆ Providing necessary facility resources required for equipment installation and operation including access, space, environmental control, electrical power and networking.
- ◆ Providing a technical point of contact for IDEMIA who will be the primary person responsible for providing and/or coordinating obtainment of site installation pre-requisite information such as network information, IP addresses, power information, etc.
- ◆ To obtain and maintain the required transmission lines and hardware for remote communications to and from the necessary agencies.
- ◆ Compliance with HCSO requirements using HCSO approved method for electronic transfer
- ◆ Installation, testing and troubleshooting any network communication connections, lines and/ or \* Hunt County Detention \* network devices.
- ◆ Obtaining all required authorizations for connecting to the HCSO AFIS.
- ◆ Completion and return of IDEMIA pre-install documentation to IDEMIA Program Team.
- ◆ Printer supplies such as ink and toner cartridges (consumables) are \* Hunt County Detention \* responsibility. IDEMIA does not offer or resell these items.

### Assumptions

In developing this price quote, IDEMIA has made the following assumptions:

- ◆ With the exception of the Harris County AFIS, there are no external interfaces to support which includes but is not limited to records management system, booking system, mugshot system, etc.
- ◆ An inter-agency agreement between \* Hunt County Detention \* and Harris County will be in place.
- ◆ \* Hunt County Detention \* will provide all necessary communication to connect to Harris County. This includes, but is not limited to hubs, routers, modems, etc.

- ◆ LiveScan System shipment and on-site Installation Services will be scheduled after network connectivity to Harris County has been established and verified and IDEMIA's Program team has received the completed pre-install documentation from \* Hunt County Detention \*.

The following items are not included in the scope of IDEMIA's pricing and will be quoted based on current service rates in effect at the time of request: (a) requests for IDEMIA assistance / completion of any agency or governing body required security documentation, surveys or questionnaires; (b) requests for IDEMIA support and potential resolution of issues resulting from agency vulnerability assessments, penetration testing and/or security audits.

Additional engineering efforts by IDEMIA beyond the scope of the standard product will be quoted based on current service rates in effect at the time of the change, plus any related travel or administrative expenses. Assistance with training and questions for the \* Hunt County Detention \*'s database or any programming, scripting, or review of programs beyond work quoted above are excluded from this offer.

**Prices exclude any and all state, or local taxes, or other fees or levies.** Customer payments are due to IDEMIA within 20 days of the date of the invoice.

Product purchase will be governed by the IDEMIA Agreement, a copy of which is attached. No subsequent purchase order can override such terms. Nothing additional shall be binding upon IDEMIA unless a subsequent agreement is signed by both parties.

Firm delivery schedules will be provided upon receipt of a purchase order and IDEMIA receipt of completed pre-install documentation.

IDEMIA reserves the right to substitute hardware of equal value with equal or better capability, based upon market availability. If, however, such equipment is unavailable, IDEMIA will make its best effort to provide a suitable replacement.

**Pricing is valid through: April 30, 2026**

Purchase orders should be sent to IDEMIA by electronic mail or U.S. postal mail to:

**IDEMIA**  
**14 Crosby Dr., 2<sup>nd</sup> Floor**  
**Bedford, MA 01730**  
**Email: [noemi.islas@ps-idemia.com](mailto:noemi.islas@ps-idemia.com) |**

Please direct all questions and order correspondence to:

**Noemi Islas**  
**IDEMIA Inside Sales**  
**Email: [noemi.islas@ps-idemia.com](mailto:noemi.islas@ps-idemia.com) | Tel: (657) 652-4447**

We look forward to working with you.

Sincerely,

Christian Henry  
Sr. Vice President - IDEMIA Identity & Security USA LLC

## Advantage Solution Support

The following table provides a summary of the maintenance services and support available during warranty and following warranty expiration. Initial warranty period is 1 year from the date of installation.

Support Features	Warranty	Post Warranty
<b>Software Support 9X5*</b>	<b>Included in Warranty</b>	<b>Available for purchase</b>
Unlimited Telephone Technical Support	√	√
2 Hour Telephone Response Time	√	√
Remote Dial-in Analysis	√	√

**Idemia Identity & Security USA LLC Short Form Sales Agreement**

1. Scope. Idemia Identity & Security USA LLC, ("IDEMIA" or "Seller") having a place of business at 11951 Freedom Drive, Suite 1800, Reston, Virginia 20190 and \_\_\_\_\_, ("Customer"), having a place of business at \_\_\_\_\_,

\_\_\_\_\_ enter into this Sales Agreement ("Agreement"), pursuant to which IDEMIA will sell to Customer and Customer will purchase from Seller the equipment, parts, software, or services related to the equipment (e.g., installation) described in Seller's Proposal or Letter Quote dated \_\_\_\_\_. These terms and conditions, together with the Proposal or Quote, comprise the "Agreement." Customer may indicate its acceptance of this Agreement by signing below or by issuing a purchase order that refers to either the Proposal/Quote or to a Customer solicitation to which the Proposal/Quote responds. Only these terms and conditions apply to the transaction, notwithstanding any inconsistent or additional terms and conditions contained in the purchase order or Customer solicitation.

2. Price, Payment and Sales Terms. The Contract Price is U.S. \$\_\_\_\_\_, excluding applicable sales, use, or similar taxes. Seller will submit invoices to Customer for products when they are shipped and, if applicable, for services when they are performed. Customer will make payments to Seller within twenty (20) days after the invoice date. Unless otherwise stipulated with the Seller when an Order is accepted, the Equipment will be delivered by Seller "FCA" (Free Carrier), with named place being the Seller's premises where the Goods are being dispatched, (Incoterms 2010). Title to the Equipment will pass to Customer upon payment in full of the Contract Price as outlined above, except that title to Software will not pass to Customer at any time. Risk of loss will pass to Customer upon delivery of the Equipment to the Customer at the agreed named place of delivery in accordance with the Incoterm in the contract. Seller will pack and ship all Equipment in accordance with good commercial practices.

3. Software. If this transaction involves software, any software owned by Seller ("IDEMIA Software") is licensed to Customer solely in accordance with Seller's Software License Agreement ("SLA"), which is attached as Exhibit A and incorporated herein by this reference. Any software owned by a third party ("Non-IDEMIA Software") is licensed to Customer in accordance with the standard license, terms, and restrictions of the copyright owner unless the owner has granted to Seller the right to sublicense its software pursuant to the SLA, in which case the SLA applies and the owner will have all rights and protections under the SLA as the Licensor. Seller makes no representations or warranties of any kind regarding Non-IDEMIA Software.

4. Express Limited Warranty and Warranty Disclaimer. IDEMIA Software is warranted in accordance with the SLA.

5. Delays and Disputes. Neither party will be liable for its non-performance or delayed performance if caused by an event, circumstance, or act of a third party that is beyond a party's reasonable control (a "Force Majeure"). Each party will notify the other if it becomes aware of a Force Majeure that will significantly delay performance. The parties will try to settle any dispute arising from this Agreement (except for a claim relating to intellectual property or breach of confidentiality) through good faith negotiations. If necessary, the parties will escalate the dispute to their appropriate higher-level managers. If negotiations fail, the parties will jointly select a mediator to mediate the dispute and will share equally the mediation costs. Neither party will assert a breach of this Agreement without first giving the other party written notice and a thirty (30) day period to cure the alleged breach.

6. LIMITATION OF LIABILITY. Except for personal injury or death, Seller's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the purchase price of the products or services for which losses or damages are claimed. SELLER WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OR USE OF THE PRODUCTS, OR THE PERFORMANCE OF SERVICES BY SELLER PURSUANT TO THIS AGREEMENT. No action for contract breach or otherwise relating to the transactions contemplated by this Agreement may be brought more than one year after the accrual of the cause of action. This limitation of liability survives the expiration or termination of this Agreement.

7. Confidential Information and Preservation of Proprietary Rights. The SLA governs software confidentiality. As to any other information marked "Confidential" and provided by one party to the other, the receiving party will maintain the confidentiality of the information and not disclose it to any third party; take necessary and appropriate precautions to protect the information; and use the information only to further the performance of this Agreement. Confidential information is and will remain the property of the disclosing party, and no grant of proprietary rights in the confidential information is given or intended. Seller, any copyright owner of Non-IDEMIA Software, and any third party manufacturer own and retain all of their proprietary rights in the equipment, parts and software, and nothing herein is intended to restrict their proprietary rights. Except as explicitly provided in the SLA, this Agreement does not grant any right, title or interest in Seller's proprietary rights, or a license under any Seller patent or patent application.

8. Miscellaneous: Each party will comply with all applicable laws, regulations and rules concerning the performance of this Agreement or use of the products to the extent they do not conflict with the laws of the United States. This Agreement and the rights and duties of the parties will be governed by and interpreted in accordance with the laws of the State in which the products are installed to the extent they do not conflict with the laws of the United States. This Agreement constitutes the entire agreement of the parties regarding this transaction, supersedes all previous agreements and proposals relating to this subject matter, and may be amended only by a written instrument executed by both parties. Seller is not making, and Customer is not relying upon, any representation or warranty except those expressed herein. There are no certifications or commitments binding Seller applicable to this transaction unless they are in writing and signed by an authorized signatory of Seller.

## EXHIBIT A – SOFTWARE LICENSE AGREEMENT

In this Exhibit A, the term "Licensor" means Idemia Identity & Security USA LLC, ("IDEMIA"); "Licensee," means the Customer; "Primary Agreement" means the agreement to which this exhibit is attached (IDEMIA Short Form Sales Agreement); and "Agreement" means this Exhibit and the applicable terms and conditions contained in the Primary Agreement. The parties agree as follows:

For good and valuable consideration, the parties agree as follows:

### SECTION 1. DEFINITIONS

1.1 "Designated Products" means products provided by IDEMIA to Licensee with which or for which the Software and Documentation is licensed for use.

1.2 "Documentation" means product and software documentation that specifies technical and performance features and capabilities, and the user, operation and training manuals for the Software (including all physical or electronic media upon which such information is provided).

1.3 "Open Source Software" means software with either freely obtainable source code, license for modification, or permission for free distribution.

1.4 "Open Source Software License" means the terms or conditions under which the Open Source Software is licensed.

1.5 "Primary Agreement" means the agreement to which this exhibit is attached (IDEMIA Short Form Sales Agreement).

1.6 "Security Vulnerability" means a flaw or weakness in system security procedures, design, implementation, or internal controls that could be exercised (accidentally triggered or intentionally exploited) and result in a security breach such that data is compromised, manipulated or stolen or the system damaged.

1.7 "Software" (i) means proprietary software in object code format, and adaptations, translations, de-compilations, disassemblies, emulations, or derivative works of such software; (ii) means any modifications, enhancements, new versions and new releases of the software provided by IDEMIA; and (iii) may contain one or more items of software owned by a third party supplier. The term "Software" does not include any third party software provided under separate license or third party software not licensable under the terms of this Agreement.

### SECTION 2. SCOPE

IDEMIA and Licensee enter into this Agreement in connection with IDEMIA's delivery of certain proprietary Software or products containing embedded or pre-loaded proprietary Software, or both. This Agreement contains the terms and conditions of the license IDEMIA is providing to Licensee, and Licensee's use of the Software and Documentation.

### SECTION 3. GRANT OF LICENSE

3.1 Subject to the provisions of this Agreement and the payment of applicable license fees, IDEMIA grants to Licensee a personal, limited, non-transferable (except as permitted in Section 7) and non-exclusive license under IDEMIA's copyrights and Confidential Information (as defined in the Primary Agreement) embodied in the Software to use the Software, in object code form, and the Documentation solely in connection with Licensee's use of the Designated Products. This Agreement does not grant any rights to source code.

3.2 If the Software licensed under this Agreement contains or is derived from Open Source Software, the terms and conditions governing the use of such Open Source Software are in the Open Source Software Licenses of the copyright owner and not this Agreement. If there is a conflict between the terms and conditions of this Agreement and the terms and conditions of the Open Source Software Licenses governing Licensee's use of the Open Source Software, the terms and conditions of the license grant of the applicable Open Source Software Licenses will take precedence over the license grants in this Agreement. If requested by Licensee, IDEMIA will use commercially reasonable efforts to: (i) determine whether any Open Source Software is provided under this Agreement; (ii) identify the Open Source Software and provide Licensee a copy of the applicable Open Source Software License (or specify where that license may be found); and, (iii) provide Licensee a copy of the Open Source Software source code, without charge, if it is publicly available (although distribution fees may be applicable).

### SECTION 4. LIMITATIONS ON USE

4.1 Licensee may use the Software only for Licensee's internal business purposes and only in accordance with the Documentation. Any other use of the Software is strictly prohibited. Without limiting the general nature of these restrictions, Licensee will not make the Software available for use by third parties on a "time sharing," "application service provider," or "service bureau" basis or for any other similar commercial rental or sharing arrangement.

4.2 Licensee will not, and will not allow or enable any third party to: (i) reverse engineer, disassemble, peel components, decompile, reprogram or otherwise reduce the Software or any portion to a human perceptible form or otherwise attempt to recreate the source code; (ii) modify, adapt, create derivative works of, or merge the Software; (iii) copy, reproduce, distribute, lend, or lease the Software or Documentation to any third party, grant any sublicense or other rights in the Software or Documentation to any third party, or take any action that would cause the Software or Documentation to be placed in the public domain; (iv) remove, or in any way alter or obscure, any copyright notice or other notice of IDEMIA's proprietary rights; (v) provide, copy, transmit, disclose, divulge or make the Software or Documentation available to, or permit the use of the Software by any third party or on any machine except as expressly authorized by this Agreement; or (vi) use, or permit the use of, the Software in a manner that would result in the production of a copy of the Software solely by activating a machine containing the Software. Licensee may make one copy of Software to be used solely for archival, back-up, or disaster recovery purposes; provided that Licensee may not operate that copy of the Software at the same time as the original Software is being operated. Licensee may make as many copies of the Documentation as it may reasonably require for the internal use of the Software.

4.3 Unless otherwise authorized by IDEMIA in writing, Licensee will not, and will not enable or allow any third party to: (i) install a licensed copy of the Software on more than one unit of a Designated Product; or (ii) copy onto or transfer Software installed in one unit of a Designated Product onto another device. Licensee may temporarily transfer Software installed on a Designated Product to another device if the Designated Product is inoperable or malfunctioning, if Licensee provides written notice to IDEMIA of the temporary transfer and identifies the device on which the Software is transferred. Temporary transfer of the Software to another device must be discontinued when the original Designated Product is returned to operation and the Software must be removed from the other device. Licensee must provide prompt written notice to IDEMIA at the time temporary transfer is discontinued.

### SECTION 5. OWNERSHIP AND TITLE

IDEMIA, its licensors, and its suppliers retain all of their proprietary rights in any form in and to the Software and Documentation, including, but not limited to, all rights in patents, patent applications, inventions, copyrights, trademarks, trade secrets, trade names, and other proprietary rights in or relating to the Software and Documentation (including any corrections, bug fixes, enhancements, updates, modifications, adaptations, translations, de-compilations, disassemblies, emulations to or derivative works from the Software or Documentation, whether made by IDEMIA or another party, or any improvements that result from IDEMIA's processes or provision of information services). No rights are granted to Licensee under this Agreement by implication, estoppel or otherwise, except for those rights which are expressly granted to Licensee in this Agreement. All intellectual property developed, originated, or prepared by IDEMIA in connection with providing the Software, Designated Products, Documentation or related services, remains vested exclusively in IDEMIA, and Licensee will not have any shared development or other intellectual property rights.

### SECTION 6. LIMITED WARRANTY; DISCLAIMER OF WARRANTY

6.1 If Licensee is not in breach of any of its obligations under this Agreement, IDEMIA warrants that the unmodified Software, when used properly and in accordance with the Documentation and this Agreement, will be free from a reproducible defect that eliminates the functionality or successful operation of a feature critical to the primary functionality or successful operation of the Software. Whether a defect occurs will be determined by IDEMIA solely with reference to the Documentation. IDEMIA does not warrant that Licensee's use of the Software or the Designated Products will be uninterrupted, error-free, completely free of Security Vulnerabilities, or that the Software or the Designated Products will meet Licensee's particular requirements. IDEMIA makes no representations or warranties with respect to any third party software included in the Software.

6.2 IDEMIA's sole obligation to Licensee and Licensee's exclusive remedy under this warranty is to use reasonable efforts to remedy any material Software defect covered by this warranty. These

efforts will involve either replacing the media or attempting to correct significant, demonstrable program or documentation errors or Security Vulnerabilities. If IDEMIA cannot correct the defect within a reasonable time, then at IDEMIA's option, IDEMIA will replace the defective Software with functionally-equivalent Software, license to Licensee substitute Software which will accomplish the same objective, or terminate the license and refund the Licensee's paid license fee.

6.3. Warranty claims are described in the Primary Agreement.

6.4. The express warranties set forth in this Section 6 are in lieu of, and IDEMIA disclaims, any and all other warranties (express or implied, oral or written) with respect to the Software or Documentation, including, without limitation, any and all implied warranties of condition, title, non-infringement, merchantability, or fitness for a particular purpose or use by Licensee (whether or not IDEMIA knows, has reason to know, has been advised, or is otherwise aware of any such purpose or use), whether arising by law, by reason of custom or usage of trade, or by course of dealing. In addition, IDEMIA disclaims any warranty to any person other than Licensee with respect to the Software or Documentation.

#### SECTION 7. TRANSFERS

Licensee will not transfer the Software or Documentation to any third party without IDEMIA's prior written consent. IDEMIA's consent may be withheld at its discretion and may be conditioned upon transferee paying all applicable license fees and agreeing to be bound by this Agreement.

#### SECTION 8. TERM AND TERMINATION

8.1 Licensee's right to use the Software and Documentation will begin when the Primary Agreement is signed by both parties and will continue for the life of the Designated Products with which or for which the Software and Documentation have been provided by IDEMIA, unless Licensee breaches this Agreement, in which case this Agreement and Licensee's right to use the Software and Documentation may be terminated immediately upon notice by IDEMIA.

8.2 Within thirty (30) days after termination of this Agreement, Licensee must certify in writing to IDEMIA that all copies of the Software have been removed or deleted from the Designated Products and that all copies of the Software and Documentation have been returned to IDEMIA or destroyed by Licensee and are no longer in use by Licensee.

8.3 Licensee acknowledges that IDEMIA made a considerable investment of resources in the development, marketing, and distribution of the Software and Documentation and that Licensee's breach of this Agreement will result in irreparable harm to IDEMIA for which monetary damages would be inadequate. If Licensee breaches this Agreement, IDEMIA may terminate this Agreement and be entitled to all available remedies at law or in equity (including immediate injunctive relief and repossession of all non-embedded Software and associated Documentation unless Licensee is a Federal agency of the United States Government).

#### SECTION 9. UNITED STATES GOVERNMENT LICENSING PROVISIONS & RESTRICTED RIGHTS LEGEND

This Section applies if Licensee is the United States Government or a United States Government agency. Licensee's use, duplication or disclosure of the Software and Documentation under IDEMIA's copyrights or trade secret rights is subject to the restrictions set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights clause at FAR 52.227-19 (JUNE 1987), if applicable, unless they are being provided to the Department of Defense. If the Software and Documentation are being provided to the Department of Defense, Licensee's use, duplication, or disclosure of the Software and Documentation is subject to the restricted rights set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 (OCT 1988), if applicable. The Software and Documentation may or may not include a Restricted Rights notice, or other notice referring to this Agreement. The provisions of this Agreement will continue to apply, but only to the extent that they are consistent with the rights provided to the Licensee under the provisions of the FAR or DFARS mentioned above, as applicable to the particular procuring agency and procurement transaction.

#### SECTION 10. CONFIDENTIALITY

Licensee acknowledges that the Software and Documentation contain IDEMIA's valuable proprietary and Confidential Information and are

IDEMIA's trade secrets, and that the provisions in the Primary Agreement concerning Confidential Information apply.

#### SECTION 11. GENERAL

11.1. COPYRIGHT NOTICES. The existence of a copyright notice on the Software will not be construed as an admission or presumption of publication of the Software or public disclosure of any trade secrets associated with the Software.

11.2. COMPLIANCE WITH LAWS. Licensee acknowledges that the Software is subject to the laws and regulations of the United States and Licensee will comply with all applicable laws and regulations, including export laws and regulations of the United States. Licensee will not, without the prior authorization of IDEMIA and the appropriate governmental authority of the United States, in any form export or re-export, sell or resell, ship or reship, or divert, through direct or indirect means, any item or technical data or direct or indirect products sold or otherwise furnished to any person within any territory for which the United States Government or any of its agencies at the time of the action, requires an export license or other governmental approval. Violation of this provision is a material breach of this Agreement.

11.3. GOVERNING LAW. This Agreement is governed by the laws of the United States to the extent that they apply and otherwise by the internal substantive laws of the State to which the Software is shipped if Licensee is a sovereign government entity, to the extent they do not conflict with the laws of the United States, or the internal substantive laws of the State of Delaware if Licensee is not a sovereign government entity. The terms of the U.N. Convention on Contracts for the International Sale of Goods do not apply. In the event that the Uniform Computer Information Transaction Act, any version of this Act, or a substantially similar law (collectively "UCITA") becomes applicable to a party's performance under this Agreement, UCITA does not govern any aspect of this Agreement or any license granted under this Agreement, or any of the parties' rights or obligations under this Agreement. The governing law will be that in effect prior to the applicability of UCITA.

11.4. THIRD PARTY BENEFICIARIES. This Agreement is entered into solely for the benefit of IDEMIA and Licensee. No third party has the right to make any claim or assert any right under this Agreement, and no third party is deemed a beneficiary of this Agreement. Notwithstanding the foregoing, any licensor or supplier of third party software included in the Software will be a direct and intended third party beneficiary of this Agreement.

11.5. PREVAILING PARTY. In the event of any dispute arising out of the subject matter of this Agreement, the prevailing party shall recover, in addition to any other damages assessed, its reasonable attorneys' fees and court costs incurred in arbitrating, litigating, or otherwise settling or resolving such dispute.

11.6 SURVIVAL. Sections 4, 5, 6.3, 7, 8, 9, 10, and 11 survive the termination of this Agreement.

**RE: Purchase of Firearm**

Dear Mrs. Himes:

Please process the purchase of a firearm from retiring Detention Officer Roy Leevey. Retired Detention Officer Roy Leevey would like to purchase his duty weapon upon his retirement from Hunt County on April 30, 2026. Texas Statutes allows a retiring Texas Peace Officer to purchase his duty weapon from the agency, with the agency's approval.

Mr. Leevey wishes to purchase a Glock MOD 23 .40 caliber Serial #FEY468, Asset #00468 for \$295.00, which was his duty weapon which was in his possession during his time as a detention officer for the Hunt County Sheriff's Office.

Please let me know if I need to do anything further regarding Mr. Leevey's request.

Sincerely,

Handwritten signature of Terry Jones in blue ink.

STATE OF TEXAS §

COUNTY OF HUNT §

Before me, the undersigned authority in and for the State of Texas, on this day personally appeared **ROY LEEVEY** who, after being duly sworn, deposes and states as follows:

My name is **ROY LEEVEY** (TCOLE PID #335984). I am retiring from my position as a detention officer for the Hunt County Sheriff's Office. I hereby swear that:

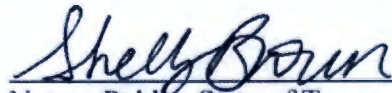

- (a) I have served over 31 years as a law enforcement officer;
- (b) I am a qualified retired law enforcement officer who is entitled to carry a concealed firearm under 18 U.S.C. Section 926C;
- (c) My appointment as a law enforcement officer was not revoked or suspended for any period during my term of service; and
- (d) I have no psychological or physical disability that would interfere with proper handling of a handgun.

I, **ROY LEEVEY**, request that the Hunt County Sheriff's Office issue an identification card that indicates that I am an honorably retired peace officer pursuant to Texas Occ. Code §1701.357. I further state that I have been provided copies of the statutes in regard to a retired peace officer.
