**Aerial and / or Underground
Project PID 6686321**

Greetings,

Spectrum/Charter is requesting permission to construct and placement of fiber which may consist of both underground and aerial attachment to existing poles. This request is for 1824 County Road 3308 SB in Greenville, which is located in Hunt County, Texas. This request is for aerial **and** / or underground in county ROW. Underground in county ROW where no utility easement is present.

Site location map and google plans are enclosed. The construction plans detail the proposed work. All road crossings will have a minimum vertical clearance of 18 feet.

If you have any questions, please contact me at any time.

Sincerely,

Logan Vaughn
