RE: Pole, Conductor Installation, VM and Boring on Old Mill Road WG

Greetings,

Oncor Electric Delivery LLC., is requesting permission to do work within the county right of way along Old Mill Road, 282' North of the intersection of Old Mill Road and CR 3317. We are looking to install (2) 40/3 Pole in the Western ROW, and 400' of 3 Phase 2 AAAC Overhead Conductor North along Old Mill Road. The Pole will be approximately 1' inside the Western ROW of Old Mill Road. This area will need Tree Trimming as well. Also need to Bore under Old Mill Road to serve the Customer (Live Happy Lanc). Site location map and permit exhibit are enclosed. The permit exhibit details the proposed work. If you have any questions, please contact at any time.

Sincerely,

A handwritten signature in blue ink that reads "Jason Conover".
