County: Hunt County

**Farmers Electric Cooperative Member: HUNT CO UPGRADE-NEW**  
**Service Order Number: 2026013252**

Greetings:

Farmers Electric Cooperative, Inc. is requesting permission to construct electrical power distribution facilities which will cross County Roads CR 2656, CR 2668 & CR 2658.

Site location map/construction sketches are attached. The construction sketch details the proposed work. The proposed electrical service will be constructed:

- Overhead - All road crossings will have a minimum vertical clearance of 22 feet.
- Underground - All underground bore crossings are PVC encased 4' of coverage from the lowest point of the Right of Way.

Farmers Electric will be constructing a new powerline on the west side of CR 2668 from Lonesome Dove Ranch Rd to CR 678. During this project we will also be performing maintenance and making upgrades to our existing power lines in County ROW in areas marked on the attached exhibit. Activities in city ROW include operating trucks/equipment for constructing OH powerlines, cutting and/or trimming trees, and other related activities.

If you have any questions, please contact me at any time.

Sincerely,
