Pro-TechT LP is a locally owned and operated company with over 35 years of experience. We pride ourselves in exceeding our customers' expectations on every project we perform. We aim to provide our clients a high-end experience with exceptional design, workmanship, and outstanding customer service. At Pro-TechT, we strive to stay ahead of the curve when it comes to the ever-changing world of technology. This allows us to provide cutting-edge installations, while educating customers on current industry trends.

We appreciate the opportunity to submit our preliminary proposals for your project. While evaluating this proposal it's important to bear in mind that there are flexible options that allow our customers to pick and choose which items they would like to have installed on their new system. And as always, Pro-TechT looks forward to solving all of your AV and Security needs.

Over the last 20 years, Pro-TechT has finely tuned our employee balance to help drive our business each day. We provide turnkey custom solutions for every client and have dedicated in-house Solution Experts to guide you through each step of the process all working together with a common goal of providing the utmost service to our clients. These employees help streamline our solutions and processes, bringing reassurance of our vision to maintain client relations. With 95% of our business coming from returning customers and personal recommendations, we believe hitting this metric each year is a testament to our strong foundation and principles, which continue to drive our success today.

We look forward to you reviewing the proposal and becoming part of the Pro-TechT Family

Scope of Work

Pro-TechT is pleased to present this proposal to the Hunt County Sheriff's Department to update the camera system in the Jail facility as partners for over 10 years with the current system we want to continue providing service and support and provide your team with the best possible proposal to meet your needs. The proposed upgrade would be a full turn-key upgrade and would be done in conjunction with the current camera system staying up and live until the new camera is ready to swap and go online. Pro-TechT would run and install new cable to each camera based on the proposed marked up locations on the map. The updated camera placement would help to provide additional coverage of areas around the facility. 2 network switches would be installed inside the Jail server closet and 1 switch plus the server would be installed upstairs in the back of dispatch following the current sever infrastructure plans. The network switches would be interconnected with 10g fiber and be a standalone system, while a single network port would be provided from the server team for access to the camera system. The server itself runs windows OS so that it can be receive ongoing updated and support and allow the IT team to provide assistance and reporting for Aduit. Each camera, the server and the hard drives run a 5-year warranty from the manufacture, and the installation is covered for 1 year by Pro-TechT after the 1 year additional support can be purchased on a per year basis.

A small wall mounted rack provided by pro-techt will be installed inside the control room with cables terminated to 4 patch panels and 2 network switches using 6u of the 12u space. Hunt County IT to provide a battery backup that would mount on the bottom of the rack. Keys will be provided to Jail administration for securing. (Hunt County Maintenance to provide a dedicated circuit from generator to power the rack needing 110v duplex)

Pro-TechT will remove the cameras that are direct replacements, but the other old cameras not in the way or direct replacement would stay unless requested to remove and plate over as an additional cost. The current NVR cameras would stay hooked up to the network but disconnected from the and existing cameras and those cables removed, If the customer would like at the end of the project we could move to a different location and remove the rack from the space.

All the equipment spec'd fall under GSA schedule contracts is NDAA compliant and meets all current Jail commission standards, along with the system being capable of upgrading in the future to adding additional cameras around the

facility to additional / redundant storage options.

Upon Completion (50%)			\$49,969.97

Terms & Conditions

Change Orders and Additions: The canceling or changing of proposed equipment by the customer, after the signed contract and any payments have been received, may result in a restocking fee of 25%. Some items in this proposal may be special-order items and may not

be eligible to be restocked and will be assessed on an individual basis. Installed items and associated labor are not returnable. Any additional work requested may be done after the completion of this proposal.

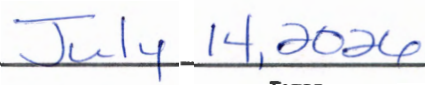

Equipment: Audio Video Manufacturer's regularly update their product offerings. In our efforts to provide you with the very latest technology, we reserve the right to substitute the most up to date models available at the time of installation. Comparable equipment may also be substituted based on availability at the time of ordering.

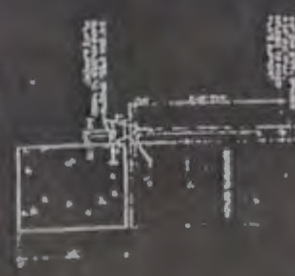

Estimated Cost: The pricing on this proposal is an estimated cost based upon the design, labor and materials included within. The contract amount will not exceed the total without a signed change order from the customer.

Warranty: All equipment is typically warranted by the manufacturer for 1 year or more. We guarantee all installations for a period of 365 Days from the date of substantial completion. If service is required, we will be happy to provide you with excellent service for your system.

Support: Basic technical support is offered for Audio/Video Systems or for Alarm Systems not monitored by Pro-TechT during normal business hours (typically 8am-5pm excluding weekends and holidays). After hours or weekend support for these systems is only available through a paid support contract. However, Alarm Systems monitored by Pro-TechT are eligible for technical support 24/7.

National Opioids Settlements: Six Remnant Defendants
Notice and Claims Administrator
opioidsparticipation@rubris.com

To: Hunt County, TX
Reference Number: CL-2024321

**THIS SETTLEMENT OVERVIEW CONTAINS IMPORTANT INFORMATION ABOUT THE SIX
REMNANT DEFENDANTS NATIONAL OPIOID SETTLEMENT**

SIX REMNANT DEFENDANTS SETTLEMENT OVERVIEW

A new national opioid settlement has been reached with six regional distributors/dispenser defendants (Remnant Defendants Settlement): Associated Pharmacies, Inc (and American Associated Pharmacies); J M Smith Corporation; Louisiana Wholesale Drug Company, Inc.; Morris and Dickson Co.; North Carolina Mutual Wholesale Drug Company, Inc.; and United Natural Foods, Inc. (including its subsidiaries SuperValu and Advantage Logistics) (Six Remnant Defendants). There is one settlement agreement covering the combined settlement with the Six Remnant Defendants.

If effectuated, the proposed Remnant Defendants Settlement will result in the the Six Remnant Defendants paying a combined \$97,625,000.00 in cash for purposes of abating the opioid epidemic. An Eligible Entity's participation in the Remnant Defendants Settlement, the Settlement will result in a one-time settlement payment to each Eligible Entity. The Settlement funds must be used for the *Core Strategies and Approved Uses* set forth in Exhibit D of the Remnant Defendant Settlement Agreement.

The Remnant Defendants Settlement does not include State Attorneys General or any amount allocated to a State. Rather, this Settlement will be distributed only and directly to any Eligible Entity that participates by signing and returning the *Combined Subdivision Participation and Release Form* by the deadline.

The allocation to participating entities will be calculated using the national Denver model but removing from the equation any amount that the Denver model would allocate to a State Attorney General or a State allocation. Specifically, the interstate allocation formula will be used to calculate what amount should go to all the subdivisions in each state and then apply the intrastate allocation as between all subdivisions who are either a litigating subdivision or a non-litigating subdivision with a population of 30,000 or more. Using that methodology, a national pro-rata percentage was created. That allocation percentage of participation is reflected in Exhibit E of the Remnant Defendant Settlement Agreement.

Eligible Entities must decide whether to participate by **Thursday, July 16, 2026.**

WHO IS RUBRIS INC. AND WHAT IS THE NOTICE AND CLAIMS ADMINISTRATOR?

The Settlement provides that a Notice and Claims Administrator will provide notice and manage the collection of participation forms. Rubris, Inc. is the Notice and Claims Administrator for this new Settlement and was also retained for the prior national opioid settlements.

WHY IS YOUR ENTITY RECEIVING THIS NOTICE?

Your entity is eligible to participate in this Settlement. This Notice is also sent directly to counsel for each Eligible Entity if the Notice and Claims Administrator has their information. *If you are represented by an attorney with respect to opioid claims, please contact them.*

WHERE CAN YOU FIND MORE INFORMATION?

Detailed information about the Settlement may be found at:

<https://nationalopioidsettlement.com>

You are encouraged to review the Settlement Agreement terms and discuss the terms and benefits with your counsel. Each Eligible Entity will need to decide whether to participate in the proposed Settlement, and entities are encouraged to work through this process before the Thursday, July 16, 2026, deadline.

HOW DO YOU PARTICIPATE IN THE SETTLEMENT?

The Settlement requires that each Eligible Entity take affirmative steps to “opt in” to the Settlement. You will receive the *Combined Subdivision Participation and Release Form* via DocuSign along with instructions from the Implementation Administrator. In order to participate in this Settlement, a person with authority must sign and return the required *Combined Subdivision Participation and Release Form*. DocuSign remains the preferred method of submission of the needed form.

The participation rate will be used to determine whether participation for each *Remnant Defendant* is sufficient to move forward. If the Settlement moves forward, your release will become effective as to that *Remnant Defendant*. If the settlement as to any *Remnant Defendant* does not move forward, the release as to that *Remnant Defendant* will not become effective.

Please add the following email addresses to your “safe” list so emails do not go to spam / junk folders: dse_na3@docusign.net and opioidsparticipation@rubris.com. Please monitor your email for the Participation Form and instructions.

All required documentation must be signed and returned on or before Thursday, July 16, 2026. Upon effectuation of the Remnant Defendants Settlement, each Eligible Entity will be provided with a link to a portal where you will enter contact and payment information to receive settlement funds.
