Caddo Mills, Tx 75135

RE: Maintenance of County Roads 2400 & 2548

Commissioner Monroe:

Please accept this letter as our agreement with the County for maintenance of the County Roads referenced above for the duration of TxDOT's IH 30 Reconstruction Projects. Per our agreement, the County's forces will perform maintenance on the County Roads and invoice Williams Brothers for the cost of said maintenance.

Upon completion of the TxDOT IH 30 reconstruction projects, the County Roads referenced above will be restored to their original condition or better by County forces, in which case the County and Williams Brothers will work out a mutual agreement that is fair to both parties.

Sincerely,
Williams Brothers Construction Co., Inc.

Seth Schulgen
